

# COUNTY OF MENDOCINO

is accepting applications for the position of

**Health & Human Services Agency**

**Deputy Director  
of  
Public Health Nursing**

*Seeking an enthusiastic leader with a passion for the wellbeing of individuals, families, and the community, who believes in creating a healthier future for the people of Mendocino County.*

**Our Health & Human Services Mission:**

*Healthy People, Healthy Communities*

## The County

Mendocino County is a picturesque rural county along California's north coast, two hours north of the Golden Gate. The heart of wine and redwood country, the County boasts beautiful fertile inland valleys, Pacific coastline, and rugged mountain peaks.

Mendocino County's economy is based on agriculture, timber, tourism and a growing retail and service center. Weather in the County is generally mild. Fog and sea breezes keep the coastal areas cool, while inland temperatures can reach the low 100's during the peak summer weeks. For more information about Mendocino County visit [www.visitmendocino.com](http://www.visitmendocino.com).

## The Health and Human Services Agency

Mendocino County's Health and Human Services Agency serves the community through coordinated, multi-disciplinary services. The Agency administers a wide range of programs through its three branches (Behavioral Health and Recovery Services, Public Health and Social Services). The Agency is committed to innovation and building high performance through collaboration. This intra-agency teamwork results in higher quality services for the County's most vulnerable individuals..

## The Position

The Public Health Nursing Deputy Director typically directs staff and functions, including long and short range planning, budget and policy development and staff management. The Nursing division of Public Health is responsible for delivering comprehensive health, wellness and prevention programs and services to County citizens.

## Requirements

General requirements are a Bachelor's degree from an accredited college or university in Nursing (or the equivalent in increasingly responsible nursing and management experience); Master's degree is preferred and five years of progressively responsible related experience providing nursing services in a public health care setting with at least two years in a management or supervisory capacity; or, a combination of education, training and experience which provides the required knowledge, skills, and abilities to perform the essential functions of the job.

Licenses and Certifications: Valid State Driver's License, Registered Nurse License, Public Health Nurse Certificate

## Salary and Benefits

The salary range for this position is \$87,256 - \$106,101 annually.

The County provides an excellent management benefits package including: Retirement benefits and enrollment in Social Security; Section 457 deferred compensation plan with up to 3% of salary match; \$1,000 annually for health, education and training expenses; County pays 75% of Medical, Dental and Vision Insurance coverage for employees and dependents; 11 paid holidays; 48 hours paid management leave; sick leave accrual at 15 days per year; paid vacation; extended disability and life insurance.

## The Process

A Mendocino County application is required and a resume is encouraged for this position. Apply online at <https://www.governmentjobs.com/careers/mendocinoca>
