## ***2017 Pesticide Use Enforcement 101 Training for Cannabis Cultivators***

The training will focus on basic pesticide concepts and regulations that our department will be enforcing in the coming months. It should be made clear that this training does NOT count as training for pesticide handlers on farms. **Space is limited to 35 trainees per session so call ahead of time to reserve a seat.**

### **Class Schedule**

---

<b>Morning</b>	<b>Thursday</b>	<b>July 6, 2017</b>	<b>9:00AM - 11:00AM</b>
<b>Afternoon</b>	<b>Thursday</b>	<b>July 6, 2017</b>	<b>2:00AM - 4:00PM</b>

These classes will be held in the Mendocino County Department of Agriculture's conference room at 890 N. Bush St. in Ukiah, on the corner of Low Gap Road and Bush Street. *Those wishing to attend MUST sign up in advance as there is limited seating available.* You can sign up at <https://www.mendocinocounty.org/government/agriculture/calendar>, or by calling our office at 234-6830.

Parking in the County complex is very limited, so we have received permission to use the parking lot in front of the adult education school (at Frank Zeek Elementary on Bush St.) for overflow parking. Please feel free to use this lot for more convenient access to our building.

If you have questions regarding the training, please call our office.
