STATEMENT OF CANDIDATE FOR
UKIAH VALLEY SANITATION DISTRICT
DIRECTOR

ANDREA REED

AGE: 36

Occupation: BUSINESS OWNER

Education and Qualifications: As a local resident and business owner, I have a strong sense of dedication to the Ukiah Valley residents. You can plainly see that our infrastructure is crumbling from the top down. I see that the Ukiah Valley Sanitation District lacks leadership to communicate effectively with partnering agencies. I am an active volunteer on multiple boards in the community and understand parliamentary protocols going back to my youth as a President of the local Future Farmers of America. I plan to use these skills to give the board a clear direction so that it may achieve its goals. It is important to me that we make sure that budgets are strictly followed and that we create a sustainable Ukiah Valley for future generations.

ANDREA REED

EDAD: 36

Ocupación: PROPIETARIA DE EMPRESA

Educación y cualificaciones: Como residente local y propietaria de empresa, tengo un profundo sentido de dedicación hacia los residentes de Ukiah Valley. Claramente puede ver que nuestra infraestructura se derrumba de arriba hacia abajo. Veo que al Ukiah Valley Sanitation District le hace falta liderazgo para comunicarse de manera efectiva con las agencias asociadas. Soy una voluntaria activa en múltiples juntas en la comunidad y comprendo los protocolos parlamentarios desde mi juventud como presidente de Futuros Agricultores de los Estados Unidos local. Planeo usar estas habilidades para darle a la junta una dirección clara para que pueda lograr sus metas. Para mí es importante que nos aseguremos de que se sigan los presupuestos estrictamente y de que establezcamos un Ukiah Valley sustentable para las futuras generaciones.
