

STATEMENT OF CANDIDATE FOR
MILLVIEW COUNTY WATER DISTRICT
DIRECTOR

ROBERTO MUNIZ

AGE: 47

Occupation: CLAIMS SPECIALIST

Education and Qualifications: My parents migrated to Mendocino in the early 1970s. As a child my family worked in the vineyards and pear orchards in the Ukiah Valley. In 1989, I graduated from Ukiah High and continued onto Mendocino College until 1992. As a student, I worked seasonal and part-time jobs like the pear-sheds, Ukiah Unified School District, and local winery. In 1993, I started working for Mendocino County Social Services until 2003. While working full-time, I continued my education. In September of 2003, I was hired as a Claims Specialist for Social Security. Throughout my life I have served as a volunteer on several local non-profits boards, at my church, and as appointed member of the Redwood Empire Fair Board. I am now interested in serving in the Millview County Water District Board. I believe my 25 years of public and community service would prove to be an asset in serving on the water board.

s/Roberto Muniz
