Subject: Trustee Education and Training Quarterly Report

History:

January 1, 2013 Section 31522.8 was added to the Government Code which requires trustees to receive education in general pension related topic areas. MCERA's Trustee Education and Travel Policy, adopted December 12, 2012, ensures that board members receive education and the reporting of that education is compliant with the new statute. Some highlights of the Trustee Education and Travel Policy include:

- ◇ Board members are required to complete a minimum of 24 hours of education within the first two years of assuming office and for every subsequent two-year period in which the board member continues to hold office.
- ◇ The goal of the policy is that all trustees agree to develop and maintain an adequate level of knowledge and understanding of relevant issues involved in the administration of MCERA throughout their terms as trustees of MCERA.
- ◇ Establishes a means for determining the programs, training, and educational sessions that qualify as Board member education. Educational seminars sponsored by the state, national pension fund organizations, and seminars sponsored by accredited academic institutions shall be deemed to meet board member educational requirements.
- ◇ Requires that each Board maintain a record of board member compliance with the Trustee Education and Travel Policy and that the Policy and an annual report on board member compliance be placed on MCERA's internet website.
- ◇ Mandates that the Board allocate sufficient funds annually in its budget to enable trustees to attend specified conferences.
