Mendocino County Homeless Services Continuum of Care Meeting - Monday, October 16, 2017

The Mendocino County Homeless Services Continuum of Care general membership and monthly public meeting will be held Monday, October 16, 2017. This meeting will take place at the Mendocino County Health and Human Services Agency Social Services building, in the Big Sur conference room, located at 747 South State Street, Ukiah, from 1:30 p.m. – 3:30 p.m.

The continuum of care program is designed to promote a community-wide commitment to the goal of ending homelessness in Mendocino County. This is a collaboration of individual citizens and over 30 agencies throughout Mendocino County. This group is instrumental in bringing federal HUD funding to our community to assist our low income and homeless population. This group is also active in focusing on solutions to all aspects of homelessness, from emergency sheltering, to homelessness prevention. We hold monthly meetings and welcome new individual community members and community agencies who share a common goal of addressing the needs of those without homes in our community.
