California State Revenue and Taxation Code, Section 51 authorizes the Assessor to **temporarily** lower the assessed value of any real property when it is greater than the market value as of the January 1, lien date. If you have evidence that the market value of your property as of **January 1, 2018** is less than the assessed value, please provide the information below and return this request to the Assessor's Office. If you have any questions please contact our office at 707-234-6800.

This form allows you to request a review of the assessment of your property due to a decline-in-value. Please provide evidence to support your opinion of value as of January 1, 2018. **A simple statement that property values have declined is not sufficient to justify a reduction.** The best evidence or support includes information on sales of comparable properties. You should select three comparable properties that sold as close to January 1, 2018 as possible, but no later than March 31, 2018. (Comparable sales between July 2017 and March 2018 are best)

IMPORTANT - SIGNATURE

Your property taxes are still due by the delinquent date printed on the bill from the Tax Collector. The filing of an assessment review or an assessment appeal does not alter or delay the date taxes are due. The Tax Collector will add interest and penalties to the amount you owe if your payment is late.

I have read and understood the statement above. I agree to allow the Assessor's staff to inspect the property, including the interior of any improvements, if necessary. (An Appraiser will call to schedule an appointment, if needed).
