To whom it may concern-

Please DO NOT approve this building proposal. I am a resident of long standing at 44290 Schooner Gulch Road in Point Arena, just a quarter mile off 10 Mile Road, and about 1 mile north of the proposed "cemetery" which is a "forest" not a "cemetery"!

I'm find this whole proposal a ridiculous idea and possibly a hoax. Our neighborhood is very quiet with many gardens, TREES, and livestock and we certainly DO NOT want increased traffic on our two lane country road.

We bought land here and built here BECAUSE it was far from towns, businesses and traffic. This will significantly lower the market value of our homes and land.

Please DO NOT approve this plan.

Thank you for your time.
