## MEMORANDUM

**Date:** 5/3/2018  
**To:** Planning Commission  
**From:** Sam 'Vandy' Vandewater, Planner II  
**Subject:** Resolution for U\_2017-0025

---

This memo is to acknowledge changes to the resolution that were made since the public noticing of the documents. At the time of noticing, the resolution for Use Permit U\_2017-0025 included a number of findings in relation to the project, one of which was in regards to "Nuisance." This finding stated that the project would limit the amount of nuisance created by the project to neighboring parcels. County Counsel has since directed Staff to remove the findings on "Nuisance," though the discussion of potential nuisances remains a key issue in the Staff Report.

Thank you for your understanding in this matter.
