## DECLARATION OF CANDIDACY

Each candidate will be required to complete a Declaration of Candidacy. Among other things, you will be required to decide how you wish your name to appear on the ballot (i.e. first and last name, first name-middle initial-last name, etc.).

No title or degree shall appear on the same line on a ballot as a candidate's name, either before or after the candidate's name, in the case of any election to any office. (E.C. §13106)

You will also be required to decide if you wish to have a **BALLOT DESIGNATION** appear under your name on the ballot. You may use up to **three words** designating your PRINCIPAL PROFESSION, VOCATION OR OCCUPATION. You may not use any company names. You may not use a designation that will mislead the voters. You may use the term "incumbent" or the title of the office, if you are running for an office to which you were previously elected. You may use the term "appointed incumbent" or the title of the office preceded by the word "appointed" if you are running for an elective office to which you were appointed. You may also choose to have no designation appear under your name on the ballot. For additional information, please see the Ballot Designation Worksheet; which can be obtained in our office.

## CAMPAIGN DISCLOSURE

You will be provided with the Form 470 which must be filed at the same time you file candidacy papers. This form covers campaigns that will raise or spend LESS than \$2,000 in contributions. **If you believe your campaign will raise or spend MORE than \$2,000, you must request a campaign disclosure manual and a Form 410-Statement of Organization.** It is your responsibility to become familiar with the filing requirements and request forms you may need from this office. **This office and/or the Secretary of State's office may fine you if filing deadlines are not met.**

**PROVISIONS OF THE CODE OF FAIR CAMPAIGN PRACTICES**  
as found in Chapter 5 of Division 20 of the California Elections Code

Chapter 5. Fair Campaign Practices  
Article 1. General Intent

20400. **Intent of Legislature.** The Legislature declares that the purpose of this chapter is to encourage every candidate for public office in this state to subscribe to the Code of Fair Campaign Practices.

It is the ultimate intent of the Legislature that every candidate for public office in this state who subscribes to the Code of Fair Campaign Practices will follow the basic principles of decency, honesty, and fair play in order that, after vigorously contested, but fairly conducted campaigns, the citizens of this state may exercise their constitutional right to vote, free from dishonest and unethical practices which tend to prevent the full and free expression of the will of the voters.

The purpose in creating the Code of Fair Campaign Practices is to give voters guidelines in determining fair play and to encourage candidates to discuss issues instead of untruths or distortions.

Article 2. Definitions

20420. **Definition of "Code".** As used in this chapter, "Code" means the Code of Fair Campaign Practices.

Article 3. Code of Fair Campaign Practices

20440. **Subscription to Code; Form.** At the time an individual is issued his or her declaration of candidacy, nomination papers, or any other paper evidencing an intention to be a candidate for public office, the elections official, shall give the individual a blank form of the code and a copy of this chapter. The elections official shall inform each candidate for public office that subscription to the code is voluntary.

In the case of a committee making an independent expenditure as defined in Section 82031 of the Government Code, the Secretary of State shall provide a blank form and a copy of this chapter to the individual filing, in accordance with Title 9 (commencing with Section 81000) of the Government Code, an initial campaign statement on behalf of the committee.

The text of the code shall read, as follows: **(see next page)**

20441. **Supply of Forms.** The Secretary of State shall print, or cause to be printed, blank forms of the code. The Secretary of State shall supply the forms to the elections officials in quantities and at times requested by the elections officials.

20442. **Retention of Forms; Public Inspection.** The elections official shall accept, at all times prior to the election, all completed forms that are properly subscribed to by a candidate for public office and shall retain them for public inspection until 30 days after the election.

20443. **Public Record.** Every code subscribed to by a candidate for public office pursuant to this chapter is a public record open for public inspection.

20444. **Voluntary.** In no event shall a candidate for public office be required to subscribe to or endorse the code.

## CODE OF FAIR CAMPAIGN PRACTICES

There are basic principles of decency, honesty, and fair play which every candidate for public office in the State of California has a moral obligation to observe and uphold, in order that, after vigorously contested, but fairly conducted campaigns, our citizens may exercise their constitutional right to a free and untrammelled choice and the will of the people may be fully and clearly expressed on the issues.

### THEREFORE:

- (1) I SHALL CONDUCT my campaign openly and publicly, discussing the issues as I see them, presenting my record and policies with sincerity and frankness, and criticizing without fear or favor the record and policies of my opponents or political parties which merit such criticism.
- (2) I SHALL NOT USE OR PERMIT the use of character defamation, whispering campaigns, libel, slander, or scurrilous attacks on any candidate or his or her personal or family life.
- (3) I SHALL NOT USE OR PERMIT any appeal to negative prejudice based on race, sex, religion, national origin, physical health status, or age.
- (4) I SHALL NOT USE OR PERMIT any dishonest or unethical practice which tends to corrupt or undermine our American system of free elections, or which hampers or prevents the full and free expression of the will of the voters including acts intended to hinder or prevent any eligible person from registering to vote, enrolling to vote, or voting.
- (5) I SHALL NOT coerce election help or campaign contributions for myself or for any other candidate from my employees.
- (6) I SHALL IMMEDIATELY AND PUBLICLY REPUDIATE support deriving from any individual or group which resorts, on behalf of my candidacy or in opposition to that of my opponent, to the methods and tactics which I condemn. I shall accept responsibility to take firm action against any subordinate who violates any provision of this code or the laws governing elections.
- (7) I SHALL DEFEND AND UPHOLD the right of every qualified American voter to full and equal participation in the electoral process.

I, the undersigned, candidate for election to public office in the State of California or treasurer or chairman of a committee making any independent expenditures, hereby voluntarily endorse, subscribe to, and solemnly pledge myself to conduct my campaign in accordance with the above principles and practices.

## PREPARATION OF CANDIDATE'S STATEMENT

Each candidate for nonpartisan elective office in any local agency may prepare a Candidate's Statement on a form provided by the Registrar of Voters. The Candidate's Statement is optional.

### CONTENTS

The statement may include the name, age and occupation of the candidate and a brief description of **no more than 200 words**, of the candidate's education and qualifications expressed by the candidate. "Age" is optional and may be omitted. "Occupation" may be expanded beyond the three words allowed as a ballot designation. The candidate is not permitted to include party affiliation or membership or activity in any partisan political organizations.

Candidate's statements for judicial offices shall be limited to a recitation of the candidate's own personal background and qualifications and shall not in any way make reference to other candidates for judicial office or to another candidate's qualifications. The elections official is prohibited from printing and distributing any statement not in compliance with these restrictions.

The law specifically states that the author of a Candidate's Statement is not exempt from civil or criminal action or penalty because of false, slanderous, or libelous statements offered for printing or contained in the voter's pamphlet. Moreover, any candidate who knowingly makes a false statement of a material fact in a Candidate's Statement with the intent to mislead the voters is punishable by a fine not to exceed one thousand dollars (\$1,000). (E.C. §13307(d), §18351)

### FORMAT

Statement must be typed or neatly printed on the form issued by the Registrar of Voters. If a candidate wishes to submit an electronically generated statement, they may do so by taping a hard copy to each page of the form provided and signing the form in the appropriate places. Since the Elections Code requires that the statement of each candidate be printed in type of uniform size and darkness, and with uniform spacing, the statement must follow conventional usage (E.C. §13307(b)).

1. The statement will be printed in standard paragraph form. Outline form is not acceptable.
2. Capital letters will be used only for words normally capitalized (i.e. the first letter of the first word of a sentence, proper noun, etc.). Words will not be printed in "all caps".
3. Bold type, italicizing or underlining is not permitted.

### WORD COUNT

The 200 word limit set by E.C. §13307 is strictly observed. Candidates should count their words carefully using the following guidelines.

1. Punctuation is not counted.
2. All geographical names shall be considered as one word.
3. Each abbreviation for a word, phrase or expression shall be counted as one word
4. Hyphenated words that appear in any generally available dictionary shall be considered as one word. Each part of all other hyphenated words shall be counted as a separate word.
5. Dates consisting of a combination of words and digits shall be counted as two words. Dates consisting only of a combination of digits shall be counted as one word.

6. Any number consisting of a digit or digits shall be considered as one word. Any number which is spelled, such as "one" shall be considered as a separate word or words (ie. "one hundred" will be counted as two words.

### **NO EDITING OF COPY BY THE REGISTRAR OF VOTERS**

The Registrar of Voters does not edit the material submitted and candidates should not expect errors in spelling, punctuation or grammar to be corrected. Since the statement cannot be changed after it is submitted, it is especially important for candidates to take the time to prepare and proofread their statements carefully. The statement will only be accepted on the form provided on page 10; page 11 is required to be signed, completed and provided to the Registrar's office when filing the candidate statement

### **DEPOSIT**

**The County Clerk shall collect a deposit at the time of filing the candidate's statement. The final cost will be determined after the printing bills are received by the County Clerk. Candidates will be billed any cost over and above the deposit collected or will be refunded any overpayment at that time. (E.C. 13307(c)) Please see page 12 for deposits.**

### **EXAMPLE OF FORMAT:**

NAME: PAT DOE

OCCUPATION: Fortune Teller/Comedian

AGE: 65

This is an example of an acceptable format to be used in a Candidate's Statement. The guidelines for the content of the statement and the format may be found in the preceding paragraphs.

The candidate statement is printed in standard paragraph form, which means each paragraph will start at the left margin and the right margins will be justified. A double space will appear between paragraphs. Special indentations are not allowed. If bullets are used, they will begin at the left margin and will only be allowed if space permits. If space does not permit, the items will be converted to a list. If a list is to be printed (clubs, accomplishments, goals, etc.), it will appear as shown in the following paragraph.

I belong to the following organizations: PTA...Chamber of Commerce...Zoological Society...Bridge Club. If elected, I will: 1) lower taxes; 2) increase services; 3) cure the common cold; 4) be your servant. The Registrar of Voters will make modifications so it conforms to these rules.

S/Pat Doe

### **COUNTY CODE SECTION 2.04.060**

#### **Candidate's Fees**

- (1) Pursuant to Elections Code 10012, each candidate for County Office shall pay the actual prorated costs of printing, handling and translating his candidate's statement, if any, incurred by the county.
- (2) The candidate's statement shall be limited to 200 words; and
- (3) The County Clerk shall accept from the candidate no other material for transmittal to the voters.

## **INCOMPATIBILITY OF OFFICES**

The Political Reform Act does not prohibit any office holder from holding multiple public offices or seeking more than one elective office. For example, a deputy district attorney can hold the office of city council member, or a water board director may also be elected to a park and recreation district. There are, however, instances of holding more than one office that are considered incompatible.

There is no single statute that defines “incompatibility of offices”. The common law doctrine of incompatibility of offices, however, prevents an elected official from holding two offices simultaneously *if the offices have overlapping and conflicting public duties*.

The courts have defined this concept as follows: “One individual may not simultaneously hold two public offices where the functions of the offices concerned are inherently inconsistent, as where there are conflicting interests, or where the nature of the duties of the two offices is such as to render it improper due to considerations of public policy for one person to retain both.”

The State of California Attorney General’s Office has issued many opinions of particular compatibility questions. Here are six examples of incompatible offices:

1. The offices of city councilman and school district board member where the city and the school district have territory in common;
2. Fire chief of a county fire protection district and member of the board of supervisors of the same county;
3. High school district trustee and trustee of an elementary school district which is wholly within the geographic boundaries of the high school district;
4. Water district director and a city council member;
5. Water district director and a school district trustee having territory in common; and
6. Deputy Sheriff and County Supervisor.

If you have a questions about whether two public offices which you hold or seek to hold would be considered incompatible, contact the Attorney General’s office at 916 324-5437 or visit their website, [www.caag.state.ca.us](http://www.caag.state.ca.us) For further information about conflict of interest or incompatibility of offices, contact the Fair Political Practices Commission’s website at [www.fppc.ca.gov](http://www.fppc.ca.gov), or phone toll free 1 866 275-3772.

**MEMORANDUM**

**COUNTY OF MENDOCINO  
ELECTIONS**

**TO: All Candidates**

**FROM: Susan M. Ranochak, Registrar of Voters**

**SUBJECT: INCOMPLETE BALLOT COUNTING ON ELECTION NIGHT**

---

Candidates and the public are frequently surprised on the day after an election when they learn that there are ballots countywide/statewide remaining to be counted. These uncounted ballots may leave some close races undecided for days or even weeks. This memo is provided as a courtesy to explain the logistics of election night ballot counting, and follow-up ballot tabulation, which occurs in the days/weeks following the election. The law allows 30 days after the election to complete the ballot tally and the official audit of the election, known as the Canvass. When the Canvass is completed, the official results are certified.

There are two categories of ballots that cannot be processed on Election Night:

- VBM ballots turned in at polling locations
- Provisional ballots voted at the polls

**VBM ballots turned in at polling locations.** Many VBM voters wait until the last minute to make their voting choices and then mail or drop off their absentee ballots on Election Day. We receive these ballots very late on election night or (if they are post marked by Election Day) up to 3 days after Election Day. All VBM ballots must be pre-processed before they are counted – this includes verifying every VBM voter's signature prior to opening the VBM ballot envelopes to remove the ballots in preparation for counting.

**Provisional ballots voted at the polls.** Provisional ballots are voted at the polls when a voter's registration is in question, or when our records indicate the voter was already sent an absentee ballot. Provisional ballots are sealed in special envelopes at the polls and must be individually researched and verified at the Registrar's Office before ballots are counted or rejected in accordance with election laws.

**Write-in ballots.** All Ballots containing write-in votes must be set aside for manual review of each individual ballot. When a voter chooses to vote for a write-in candidate whose name is not printed on the ballot, **every race and measure** on that ballot cannot be

counted on election night. Each ballot containing a write-in vote must be individually reviewed to determine whether or not the write-in vote is for a qualified write-in candidate and whether or not the voter overvoted (i.e. voted for a candidate on the ballot and also voted for a write-in candidate for the same office). When an overvote occurs, neither vote can be counted for that one office, although the rest of the ballot selections will be counted. Due to the individual scrutiny involved, no portion of any ballot containing a write-in vote is counted on election night. **Vote tallies for write-in candidates are not available until the conclusion of the official canvass.**

There will be **NO** updates to our Final Unofficial results posted on election night until the Final Official results are released on the time of certification. Based on past trends, the number of ballots remaining to be counted after election night is anticipated at 5,000 – 15,000 countywide. Our staff will be working as quickly as possible to prepare all outstanding ballots for tabulation.

California law permits 30 days to complete the final, official canvass and certify the results of the election. This provision of the law recognizes the complexity of completing the ballot count and conducting a thorough audit of the election results to ensure accuracy. Part of the canvass process is a legally required manual recount of the votes cast for all candidates and measures on the ballot in 1% of the total voting precincts. This manual process verifies the accuracy of the computer count. As always, candidates and members of the general public are invited to observe ballot counting and the manual tally of ballots from the randomly selected 1% of the voting precincts.

We realize it is difficult for candidates/campaigns involved in close races to wait days and sometimes weeks to know whether or not they won or lost the election. However, we hope that the reasons for the delays in the final ballot tally have been explained fully in this memo. If you have additional questions, please call me at 234-6819.

## DEPARTMENT OF TRANSPORTATION

DIVISION OF TRAFFIC OPERATIONS  
OUTDOOR ADVERTISING PROGRAM

Dear Candidate or Committee Member:

As a candidate or campaign worker for either office or a ballot measure, this reminder about State law governing campaign signs should be helpful to you.

Section 5405.3 of the State Outdoor Advertising Act exempts the placing of Temporary Political Signs from normal outdoor advertising display requirements.

A Temporary Political Sign meets the following criteria:

- A. Encourages a particular vote in a schedule election.
- B. Is placed not sooner than 90 days prior to the schedule election and is removed within 10 days after that election.
- C. Is no larger than 32 square feet.
- D. Has had a Statement of Responsibility filed with the Department certifying a person who will be responsible for removing the sign (Attached).

A completed Statement of Responsibility must be submitted to the appropriate District Office according to the county location of the Temporary Political Sign(s). (See attached map for address)

Temporary Political Signs shall not be placed within the right-of-way of any highway, or be visible within 660 feet from the edge of the right-of-way of a classified "Landscaped freeway".

State law directs the Department of Transportation to remove unauthorized Temporary Political Signs and bill the responsible party for their removal. We are calling these provisions to your attention to avoid possible embarrassment to you and your supporters. Please pass this information along to those assisting in your campaign.

If you have any questions, feel free to contact us at the appropriate Outdoor Advertising District Office (See attached map for contact numbers).
