Public Hearing for the Mental Health Services Act Three-Year Annual Plan Update

The Mendocino County Behavioral Health & Recovery Services Mental Health Services Act Team has released a draft of the Annual Update to the 3-Year Mental Health Services Act (MHSA) Plan, including updates to the Community Services and Supports, Workforce Education and Training, Prevention and Early Intervention, Capital Facilities, Technological Needs, and Innovation components for 2018-2019. The goal of the plan is to facilitate the system transformation and to improve services to meet the needs of adults and older adults with serious mental illness, as well as children and youth with a serious emotional disturbance and/or serious mental illness.

Oral and written comments or questions will be accepted at a public hearing to be held by the Mental Health Services Act Team and the Behavioral Health Advisory Board Chairperson. **The Hearing is scheduled for July 18th, from 12:30-1:00 pm in Conference Room 1 at 1120 South Dora Street in Ukiah. It will also be broadcasted in Fort Bragg at 778 South Franklin Street in the Seaside Room.** We invite all members of the public to attend either location. Written comments and questions collected at the public hearing will be compiled and responded to formally in the Final Draft of the Annual Plan Update prior to adoption by the Board of Supervisors.
