Subject: Executive Director Charter Amendments

At the August 2018 Board meeting, the Board amended the Retirement Administrator Charter to change the working job title to Executive Director. Unfortunately, when I prepared the changes to the charter, I started with an outdated version of the Retirement Administrator Charter. The amendments in red line in the attached draft incorporate the changes to the prior Retirement Administrator Charter back into the Executive Director Charter.

I recommend adoption of the proposed amendments to the Executive Director Charter.

My apologies for the confusion. I am happy to answer any questions you may have.
