Re: Support for Cannabis Prohibition Combining District at Boonville Road/Woodyglen Lane

Dear Members of the Planning Commission:

We live within the boundaries of the Woodyglen Lane/Boonville Road Cannabis Prohibition District and we are in full support of this district.

We appreciate the process which the county has set up to create this district with proposed changes to the current code.

Please recommend the approval of the Boonville Road/Woodyglen Lane to the Board of Supervisors.

Thanks you for your support in this matter.

Sincerely,

Patricia Arnett and Dale Spring
