FROM Naomi Engstrom

1201 Boonville Road

Ukiah, CA 95482

Thank you for creating combined districts and for the involvement of Michael Bakaer International in creating proposed changes to the code. For our neighborhood, it has been an affirmation that the County, when treading new ground has done its due diligence in allowing citizens to express their feelings.

We do not want (for many already aired reasons) to be afflicted with a commercial growing operation in an established, close knit community.

Once decided, it will either save or destroy our little neighborhood.

We are hoping that you will respect the wishes of your citizens and approve the Boonville Road -Woodyglen CPCD.

Thank you,

Naomi Engstrom

1201 Boonville Road (The family home since 1970 and my home since 1976)
