Subject: Trustee Education and Training Quarterly Report

History:

January 1, 2013 Section 31522.8 was added to the Government Code which requires trustees to receive education in general pension related topic areas. MCERA's Trustee Education and Travel Policy, adopted December 12, 2012, ensures that board members receive education and the reporting of that education is compliant with the new statute. Some highlights of the Trustee Education and Travel Policy include:

- ◇ Board members are required to complete a minimum of 24 hours of education within the first two years of assuming office and for every subsequent two-year period in which the board member continues to hold office.
- ◇ The goal of the policy is that all trustees agree to develop and maintain an adequate level of knowledge and understanding of relevant issues involved in the administration of MCERA throughout their terms as trustees of MCERA.
- ◇ Establishes a means for determining the programs, training, and educational sessions that qualify as Board member education. Educational seminars sponsored by the state, national pension fund organizations, and seminars sponsored by accredited academic institutions shall be deemed to meet board member educational requirements.
- ◇ Requires that each Board maintain a record of board member compliance with the Trustee Education and Travel Policy and that the Policy and an annual report on board member compliance be placed on MCERA's internet website.
- ◇ Mandates that the Board allocate sufficient funds annually in its budget to enable trustees to attend specified conferences.

Quarterly Trustee Education Report:

Provided below is an annual trustee education and training report for the two-year period beginning 1/1/2017 and ending 12/31/2018 and a current list of future educational opportunities. Board members are required to complete a minimum of 24 hours of education within the first two years of assuming office and for every subsequent two-year period in which the board member continues to hold office. The previous two-year period began 1/1/15 and ended 12/31/2016, and the first two-year period began 1/1/2013 and ended 12/31/2014 per the government code.

**Please note:** Most conference organizations do not report on attendance and number of educational hours trustees should receive credit for to MCERA. In order to receive credit for educational hours, trustees must complete and submit a **Report of Trustee Education and Training form** (attached) to MCERA. SACRS has the ability report to MCERA on educational hours, but trustees must first report to SACRS on their conference attendance. This can be done by completing and submitting evaluation forms for every presentation/session attended during a SACRS conference. Evaluation forms are provided to attendees at the entrance and exit to every SACRS conference presentation/session.
