

PATIENT RIGHTS ADVOCATE SERVICE MISSION STATEMENT

WHO WE ARE

As Patients' Rights Advocates, we protect the legal, civil, and human rights of beneficiaries in the mental health system.

This is done by supporting beneficiaries in communicating their spoken or perceived needs within the community, mental health system, and legal arena.

It is our goal to protect the rights of each mental health beneficiary in the county of Mendocino.

AS A PATIENT, YOU HAVE THE RIGHT TO:

- Have confidentiality.
- Be treated with respect by Behavioral Health staff.
- Have a safe environment free from physical, sexual, financial, or emotional abuse.
- Have services that attempt to be beneficiary centered and sensitive to cultural, linguistic, and special needs.
- To make a complaint or file a grievance or appeal.
- To authorize another person to act on your behalf.
- To request a change in medication prescriber or therapist.
- To ask for a second opinion or change in the level of care.

WE MAKE SURE ALL PARTY'S ARE AWARE OF THE RIGHTS AND PRIVACY OF EACH PATIENT, AND HELP TO CONNECT THEM TO RESOURCES THEY NEED TO GET THE CARE THEY DESERVE.

We assure prompt responses to all messages and phone calls that we receive.

We keep patients informed of all human, legal, or privacy rights, and monitor facilities for compliance with State regulation.

We can help investigate, document, and file complaints for any violations of a patient's rights.

We assure that patient's interests and rights are protected, and that individuals receive the quality of care that they expect from services.
