Addendum Issue Date:	April 16, 2019
RFP Issue Date:	February 19, 2019
RFP Submission Deadline:	September 3, 2019 - 4:00 pm

PROPOSAL OPTIONS

Option 1

In addition to providing a proposal for response times as proposed in the RFP, the County is requiring bidders include an option for shorter response times.

Area	Code 3 (Emergency)		Code 2 (Non-Emergency)		Urgent Transfer	
	Standard	Outlier	Standard	Outlier	Standard	Outlier
Urban 1	90% ≤ 9:59	> 20:00	90% ≤ 15:59	> 32:00	90% ≤ 59:59	≥ 120:00
Suburban 1	90% ≤ 16:59	> 34:00	90% ≤ 26:59	> 54:00

Wilderness (no change)	Best Effort and Immediate Dispatch & Response		Best Effort and Immediate Dispatch & Response			

Option 2

Based on stakeholder feedback, the County is requiring bidders submit an option that does not include interfacility transports (IFT) at any level (i.e., BLS, ALS, or CCT).

Proposal Format

Within each proposal, respond to the original RFP model as well as include the system status plan, base rates, and other relevant information for Option 1: shorter response times and Option 2: EOA without IFT. If necessary, bidders should include the impact if both options are accepted by the County. For example, in Section 8.4.(f) Response-Time Commitment, the proposal should include separate answers for the 1) original RFP criteria, 2) shorter response times, 3) EOA without IFT, as well as 4) both shorter response times and EOA without IFT (only necessary if the combination of the two options has a different answer). The proposals will be scored by the evaluators based

on the original RFP model. The County may decide to accept one, both, or none of the options proposed.

ALL OTHER SPECIFICATIONS REMAIN IN FULL FORCE AND EFFECT.
