To Whom it may Concern:

My name is Dick Lawrie and I have lived at 17870 Van Arsdale Rd, Potter Valley, CA, for the past 20+ years. I am in favor of a cell tower being put in in our area not only for communication with everyone outside of our community, but more importantly, for the health and safety of myself, my friends, and my neighbors.

Thank you for your time and concern regarding this matter, it is greatly appreciated.

Sincerely,

Dick Lawrie
