Planning & Building Services

Mendocino County Dept of Planning & Building

I am writing to add my support for a cell tower at Hartstone Bible Camp.

I lived on the Eel River near the

Hartstone Bible Camp for over 30 years. I remember when it was called Hound Town!

Whenever I needed to use my cell phone for emergencies, I had to drive over two miles to the top of Van Arsdale Rd in order to get cell phone service. It deprives us of the many advantages of modern technology. People have been waiting for many years for this service. Please vote "Yes"

Sincerely,
J. F. Juan
