### ***PG&E Public Safety Power Shutoff Scheduled for October 26, 2019 through October 28, 2019***

The County of Mendocino has been notified by Pacific Gas and Electric (PG&E) that power may be turned off in our area due to red flag fire hazard conditions. At this time, 33 counties and approximately 830,201 customers are anticipated to be effected, including portions of Mendocino County. **At this time, potentially affected areas include Potter Valley, Redwood Valley, Calpella, properties adjacent to Hwy 101 on the Ridgewood Grade, portions of the unincorporated Ukiah Valley east of the City of Ukiah, Hopland, Yorkville, Boonville, Anchor Bay, Gualala and southeastern Mendocino County near the Mendocino/Sonoma County line.** The most recent PG&E map is attached. PG&E estimates that approximately 9025 customers in Mendocino County will lose power. This information continues to evolve and could change prior to the scheduled event.

De-energization will be initiated by PG&E and is estimated to occur between 1pm – 3pm on October 26, 2019, with power estimated to be restored on October 28, 2019. De-energization will begin in the northernmost areas, moving south.

Residents should be prepared with food, water, and any other necessary supplies for this potential extended outage. Residents can visit the County of Mendocino's website [www.mendocinocounty.org/community/public-safety-power-shutoff](http://www.mendocinocounty.org/community/public-safety-power-shutoff) and PG&E's website [www.pge.com](http://www.pge.com) for power outage information, preparedness tips, lists of markets, grocery stores and fueling stations that may be open during the outage in your area.
