Hi,

I am Stacey's neighbor at 55 Holmes Ranch road in Philo. She mentioned she is requesting a permit to rent her property and wanted to share my thoughts. In the 3 years we have been neighbors, she has always been respectful and observing of our boundaries. I trust she would be responsive to any issues with tenants and would not abuse any rights granted with this permit. It's important for the people of Anderson Valley to have the freedom to rent, especially with the limited lodging options available, this only improves

the community and accessibility. Please let me know if you have any questions or there is anything else I can do to support.

Thank you,
Matthew Renna
