An employee who is entitled to any temporary disability indemnity due to an injury or illness arising out of and in the course of his/her employment, and such injury is covered under Workers' Compensation provisions of the Labor Code, shall use as much of his/her accumulated sick leave as, when added to his/her disability indemnity, will result in a payment to him/her of his/her full salary.

6. Accruals During Layoff

An employee who is laid off because a position is abolished or because of a lack of funds, shall not accrue sick leave during the period of layoff. All accumulated sick leave shall be held for the employee's credit should he/she return to work during the period provided for restoration or layoff re-employment.

7. Use of 8 Hours of Sick Leave for Wellness Programs:

- A.** Up to 8 hours of sick leave per calendar year may be used by an employee for the purpose of attending an approved County Wellness Program (approved by the MCWOW staff).
- B.** To use this sick leave the employee must have a balance of 40 hours of sick leave accrued at the time the leave is used to attend the Wellness program.
- C.** The accrual balance of 40 hours must have been generated by the employee, and may not be the result of donated sick leave hours or hours deposited by the catastrophic leave program. If the accrual balance contains donated sick or catastrophic leave hours, the employee must accrue the necessary 40 hours on his or her own, before the sick leave can be used for attending approved wellness programs.
- D.** The employee must have the prior approval of the employee's department head or his or her designated agent to attend the program.
- E.** The parties agree that a department head may not capriciously, arbitrarily, or consistently deny the use of said leave.

ARTICLE 23. BEREAVEMENT LEAVE

During the period of Family Care Leave, the County shall maintain the employee's health insurance at the pre-leave level. Should an employee not return to County employment after the Family Care Leave, the employee shall reimburse the County for the health insurance premiums paid. The only exception to this shall be if the return to work is a result of continuation, recurrence or onset of a serious health condition or other circumstance beyond the employee's control (as per the Family and Medical Leave Act of 1993, Title 29, Part 825 CFR).

While an employee is on authorized military leave consistent with applicable mandatory provisions of law he/she shall be entitled to continuance of County health benefits (e.g., major medical, dental and vision) for sixty (60) days from the date the employee leaves County employment for active duty. The employee shall still be responsible for payment of his/her share of the monthly insurance premium, based on the type of coverage selected. At the end of sixty (60) days County medical coverage will cease in lieu of military benefits the employee is entitled to, for self and dependents.

While an employee is on authorized military leave consistent with applicable mandatory provisions of law the County shall continue to pay the employee in an amount equal to the difference between the employee's base hourly rate with Mendocino County and the amount earned from the military, including all special pays and incentives the employee may receive. ARTICLE 29. UNIFORM ALLOWANCE AND REPLACEMENT

Those employees that are required to wear and maintain a uniform shall receive a uniform allowance of Five Hundred Dollars (\$500.00) twice per year, paid in the pay period containing November 30 and the pay period containing June 1. Employees eligible for uniform allowance will continue to receive quarterly payments for the duration of 2019. The biannual payments go into effect January 1, 2020. In addition, the Department will replace protective vests within five (5) years of initial use.

It is understood that this allowance is to be applied to all uniforms and equipment maintenance expenses and replacement of uniforms due to normal wear.

The county agrees to reimburse for uniforms and uniform equipment of employees represented by the Association that are damaged or stolen, during duty hours or while stored at a County facility, providing that the employee made a reasonable effort to safeguard the uniform and/or uniform equipment. Reimbursement shall be based upon the residual value of the item, based upon its current cost.

Such reimbursement shall be made within thirty (30) calendar days from the date of submission of the claim and related required reports to the Department. Failure of the Department to deny a claim in writing within thirty (30) calendar days will result in a determination that the claim is accepted and shall be paid. Uniform and uniform equipment to be carried is defined as said equipment or uniform authorized by the Sheriff or his/her designee.

If the Department denies the claim, at the Association's member's request, a Special Board will be convened of one representative from the Sheriff's Office, one from the Association, and any one member of the County Civil Service Commission that both parties agree to as the third member. If no agreement is possible between the Association and the Sheriff's Office representatives as to a third party, the third party will be selected by placing the names of the Commission in a container and selecting a name at random without viewing contents of the container; said person shall act as the chairperson of the Board.

The decision of this Board shall be final.

ARTICLE 30. MEAL AND MILEAGE REIMBURSEMENT

The County Travel Policy provides a mechanism for employees traveling on County Business to obtain reimbursement for meals and mileage. Depending on the nature of the travel, reimbursement may also be available from non-County funds such as POST, the California

Standards Authority (formerly known as STC), and other state or federal agencies, and in some cases private enterprise.

The reimbursement for meals are in accordance with County Policy #18.:

Mileage reimbursement for employees' using their personal vehicles on County business will be paid at the then current IRS rate during the term of this Document.

If POST or the Corrections Standards Authority (CSA), reimburses the County for meals, mileage and lodging expenses incurred, the employee will be reimbursed at the POST or CSA reimbursement rate(s) for such expense(s): notwithstanding the fact that such expense reimbursement(s) may exceed County meal and mileage reimbursement amounts.

Any officer who must appear in a court outside of that Officer's regular assigned Judicial district and uses his/her private vehicle for transportation shall be reimbursed for mileage at the rate specified in paragraph 2 above.

ARTICLE 31. LAYOFF

Employees shall be subject to layoff whenever their positions are abolished or whenever necessary because of lack of work or lack of funds.

1. Voluntary Layoffs

In the event of a mandatory layoff authorized by the Board of Supervisors and announced by the Human Resources Director, a more senior, permanent employee with more seniority may elect layoff to the extent of displacing a more junior employee with less seniority. Such senior employee must be in permanent status and employed in the department that is conducting the layoff. Upon announcement, the HR Director will provide to DSA, a seniority list and approximate number of employees in each classification that will be affected by the layoff. Employee requests must be made by fully filling out and signing the County layoff form and by submitting this form to the department head or the department head designee. The department head and the HR Director have final approval authority on a case by case basis, without regard to seniority or outcome for persons in the same classification.

Upon the request being accepted the employee may not withdraw the request and must proceed to be laid off. The employee who volunteers shall not have bumping or seniority rights in regard to the voluntary layoff being conducted. Upon layoff the employee is subject to all rights and procedures as are applied to employees who are laid off from County service. Seniority will remain intact in regard to all purposes including restoration.

When an Official announcement regarding layoff is made by the HR Director all employees in the department conducting the layoff shall be notified in writing and allowed one (1) week to submit the County layoff form.

2. Involuntary Layoff Language

In the event of an involuntary layoff, the Board of Supervisors declares that it will provide the following to employees that are laid off:

- A.** 30 day notice during which the employee works;
- B.** Reasonable paid release time to attend interviews and other activities in regards to seeking alternative employment;
- C.** Notice of Civil Service rights and accruals such as vacation.

The County will provide job placement services to the laid off employee in the form of interviews to determine eligibility for other County job openings.

3. Order of Layoff

Whenever it is necessary to lay off one or more employees in a department in which there is more than one employee in the class in which the layoff is necessary, employees shall be laid off in the following order:

- A.** Temporary, provisional, and extra-help employees.
- B.** Probationary employees.
- C.** Permanent part-time employees.
- D.** Permanent full-time employees and permanent part-time employees who are part-time because of the operation of Reduction of Hours Section of this Article.

Within the categories set forth in the paragraph above, no employee shall be laid off until those employees in the same class in the same department with less total service in the class in that department have been laid off. If an employee has terminated from County employment, periods of service prior to such termination shall not be counted towards determining total service.

If the calculation of service between two or more employees produces a tie in the length of service, the order of layoff shall be determined as follows:

- A.** The employee with the least amount of total service in the department will be laid off or displaced first.
- B.** If a tie still exists, the employee with the least amount of total service in the County will be laid off or displaced.
- C.** If the tie still exists, the involved employee shall compete in an examination to be conducted in the same manner as would be used to fill the position if it were vacant, except that if a written exam is used there shall be no oral exam unless it is necessary to break a tie on the written exam.

4. Displacement

If an employee who is laid off has greater total service in the department than another employee in the same department in a class with the same or lower salary allocation and in which he/she previously had permanent or probationary status, the employee with the least total service shall be displaced by the senior employee and shall be laid off.

An employee who is displaced because of layoff may in the same manner displace an employee who is junior to him/her.

Should an employee have the right to displace in more than one class, he/she shall first displace in the class with the highest salary allocation.

After all displacement procedures have been utilized within the department in which the initial layoff occurs, the employee who is finally laid off may displace the employee with the least length of service with the County in the same job classification as that currently held by the displacing employee. Such displacement may occur in any County department in which the employee with the least length of service is employed. Length of service shall be calculated as provided in Civil Service Rule XII, Section 7,D.

5. Restoration

Each person who has been laid off or displaced from a position in which he/she had permanent status shall, in writing, be offered restoration to a position in the same classification in the same department from which he/she is laid off, should a position in the same classification in the same department become available or should the necessity for layoff or displacement cease to exist, within one (1) year after the date he/she is laid off or displaced. He/she must accept restoration within one (1) week after receipt of the offer of restoration and must be available to begin work within three (3) weeks after receipt of the offer, or within any longer period set forth in the offer. Should he/she not accept the offer or not be available to begin work within the times required by this rule, he/she shall be declared unavailable and shall forfeit his/her right to restoration unless further offer of restoration is granted by the Civil Service Commission.

Whenever more than one person has been laid off and/or displaced in the same class in the same department, the order of restoration shall be in the reverse order of layoff.

Whenever a person is unavailable for restoration, the next senior person who is eligible for restoration shall be offered restoration in the same manner and under the same conditions. Should there be no person eligible and available for restoration; the position may be filled as otherwise provided by these rules for appointment to a vacant position.

A person who is unavailable for restoration may, within two (2) weeks after he/she is declared unavailable, request in writing to the Civil Service Commission that he/she be considered for further offer of restoration, should such occur within one (1) year after layoff or displacement. His/her request shall contain a full explanation of the reason for his/her unavailability. At the next meeting of the Commission, the Commission shall either grant or deny further offer to restoration. The Commission may specify conditions under which further offer to restoration may be granted.

6. Calculating Service

Service means employment by the County, whether with or without pay status. The length of service may be calculated by counting calendar days except for:

- A.** Permanent part-time employees, whose service shall be counted in calendar days in proportion to the fixed percentage of full-time work to which his/her position is budgeted and allocated.

B. Extra-help, whose service shall be counted in actual hours worked.

Calculation of length of service in a particular status or classification shall be counted from the first working day of that employee.

Length of service shall be calculated in order to ascertain the following: service in a class, service in a department, service in a class in a department, service in a status, service with the County, service for reasons of displacement (under Rule XII,7,B), or for such other purpose as may be required by these rules.

If an employee has terminated from County employment, periods of service prior to such termination shall not be counted towards calculating length of service; however, interruption of service in a class as a result of layoff, promotion, demotion, probationary status, temporary or provisional assignment in another class, or retirement for service connected or non-service connected disability for which the retirement allowance is subsequently canceled by the Retirement Board because the disability no longer exists, shall not constitute a break in service in calculating such service.

7. Reduction in Hours

Whenever a layoff due to financial restraints should otherwise be necessary in a department, any regular full-time or part-time employee may, with the approval of the department head, voluntarily consent to a reduction in hours in place of such layoff. Under such circumstances, the following shall apply:

- A.** For the purposes of layoff and displacement a full-time employee shall retain length of service in his/her classification just as if he/she were employed on a full-time basis.
- B.** A regular part-time employee shall have his/her length of service calculated at the same fixed percentage of full-time work as actually worked prior to the reduction in hours.

Such schedule or reduced hours shall be for a minimum period of time set by the department head. Should he/she determine that department operations so require, he/she may recall the employee to his/her former status, even should such action result in layoffs. The employee may not unilaterally return to his/her former status in the former position until the end of the minimum period.

At the conclusion of the minimum period the employee and the department head shall either agree to extend the period, or the employee voluntarily working reduced hours shall be restored to his/her former regular full-time or part-time employment. He/she must be available to resume his/her restored hours within two weeks of a written notice of restoration or he/she shall be declared unavailable and shall be terminated.

If, while assigned to a schedule of reduced hours, an employee is requested to work additional hours for temporary periods, such time worked will not be seen as full or partial restoration to former regular employment.

ARTICLE 32. VOLUNTARY DEMOTION

The parties agree that the salary provisions of the County Code governing voluntary demotions will be amended so that employees who voluntarily take a demotion shall receive the same salary compensation set in the Code for employees taking an involuntary demotion.

ARTICLE 33. RULE OF THREE

This Article applies to promotional recruitments only. Certification from open recruitment eligibility lists shall be governed by Civil Service Rule VII, Section 2 A through C.

1. Eligibility List for Promotion

For the purpose of promotions, the County eligibility list shall be governed by the Rule of Three (3). If an eligible candidate is passed in favor of a candidate lower on the eligibility list more than one time, such employee is entitled to a written statement giving the reason for being passed over. The Rule of Three shall be modified to the Rule of Five for all lists that exceed fifteen (15) applicants. In the event that a list initially exceeds fifteen (15) applicants but subsequently falls below sixteen (16) applicants, the Rule of Five will be replaced by the Rule of Three.

All promotional examinations for DSA represented classifications will be conducted by the Human Resources Department.

2. Certification of Promotional Candidates

Upon receipt of a request for promotional certification, the County Human Resources Director shall as soon as practicable, certify to the appointing authority a list of names of the three candidates having the highest scores on the employment register for the class. Should the list of qualified applicants exceed fifteen the Rule of Five (5) shall apply. The Human Resources Director shall also furnish the appointing authority with the application and other pertinent records of each candidate.

3. Appeals

The appeal process for promotional examinations will be followed in accordance with Civil Service Rule 5, Section 5.D.

A. Unless otherwise provided herein, any candidate who competes in an examination may appeal the examination results to the County Director of Human Resources on any of the following grounds:

- 1) Erroneous scoring of examination, defined as a computational error in calculating a candidate's final score in an examination process, or the erroneous assignment of a candidate's standing on an employment list.
- 2) Unfair or improper conduct of examination, define as a departure from the announced selection process for the position or any deviation from the Conduct of Examinations, as prescribed in Rule V, Section 3, which has adversely affected the final score and standing of any candidate or group of candidates.

3) Fraud, bias, or error in rating resulting from oral, unassembled, performance, physical or medical examination.

- B.** Any such appeal shall be made in writing and shall state the specific nature of the appeal, as prescribed in Rule V, Section 5.D.1; the item or incident to which it refers, and the reasons why the candidate believes the appeal should be granted. The appeal shall be delivered or postmarked no later than seven calendar days after the date of notice of examination results to candidates by the Human Resources Director.. Incomplete appeals and late appeals will not be accepted. Receipt of an examination appeal does not delay the establishment of an eligibility list or the subsequent steps in the selection process, up to and including hiring.
- C.** The Human Resources Director shall investigate each appeal and shall grant or deny the appeal and inform the appellant in writing no later than fourteen (14) calendar days after the appeal was filed.
- D.** If the appeal is not granted by the Human Resources Director, the appellant may further appeal such decision by filing a written appeal to the Civil Service Commission. Such appeal must be submitted to the Commission (c/o the Human Resources Department) within seven (7) calendar days of the written notice of the Human Resources Director's denial. The appeal must cite the specific basis for the appeal, as prescribe in Rule V, Section 5.D.1. The Commission shall hear the facts involved and shall grant or deny the appeal at its next regular meeting. When appropriate, the Commission may also receive or request recommendation from the author of the examination. Appeals received less than seven (7) calendar days prior to the next regular meeting may be held until such meeting that the appeal may be place on the agenda.

When an appeal is granted, all records resulting from the examination shall show each candidate as having the same standing that the candidate would have if the appeal had been granted at the time the examination was scored. Then granting such appeal results in a change to a corresponding eligibility list, the list will be corrected in accordance with Rule VI, Section 10.

ARTICLE 34. PERFORMANCE EVALUATION

The County agrees to use the Performance Evaluation Form that was jointly developed. This evaluation form shall be used for all performance evaluations, said evaluation shall be considered, at least in part, for future promotions.

Subsequent to the establishment of this system, the parties agree to establish extremely restrictive guidelines that will allow a department head to request, and the Board of Supervisors to approve, a one or two step increase for an employee who is of outstanding merit.

The performance evaluations produced from the system mentioned above will service as, at least part of, the future promotional guidelines to be established.

1. Merit Increase

Upon progress and productivity, employees shall be considered for increase from one step in the salary range to the next step in the salary range until the employee has reached the top step of the pay scale for their job classification.

The numbers 1, 2, 3, 4, and 5, respectively, denote the various steps in the pay range. Each step represents a five percent (5%) increase in salary above the previous step.

Step 1 shall be paid upon initial employment except when a higher step in a salary range is authorized under Section 3.04.060(C), of Mendocino County Code.

Step 2 shall be authorized upon receiving an overall rating equivalent to satisfactory, or above, after completion of twenty-six (26) pay periods of employment at Step 1.

Step 3 shall be authorized upon receiving an overall rating equivalent to satisfactory, or above, after completion of twenty-six (26) pay periods of employment at Step 2.

Step 4 shall be authorized upon receiving an overall rating equivalent to satisfactory, or above, after completion of twenty-six (26) pay periods of employment at Step 3.

Step 5 shall be authorized upon receiving an overall rating equivalent to satisfactory, or above, after completion of twenty-six (26) pay periods of employment at Step 4.

Nothing in this section should be construed to prevent any pay for performance strategies.

2. Merit Increase Not Automatic

Advances in pay shall not be automatic upon completion of the periods of service outlined herein, and all increases shall be made only upon the written approval of the appointing authority. Written approval, plus a current evaluation, must be submitted to the Human Resources Department not later than ten (10) days after the proposed effective date.

3. Denial of Merit Increase

In the event a merit increase is denied, the affected employee shall be re-evaluated within three (3) months of the initial denial of the merit increase.

A department head shall grant a merit increase to an employee who has received an overall rating equivalent to satisfactory, or above.

In accordance with these rules, a department head shall withhold a merit increase for an employee whose work performance has received an overall rating that is less than satisfactory.

- A.** The department head shall notify the affected employee and the Human Resources Director of the decision to deny a merit increase.
- B.** The department head shall endeavor to provide the employee and the Human Resources Director notice of this decision to deny a merit increase, at least ten (10) days prior to the date on which the employee is eligible for the merit increase.

- C.** Denial of a merit increase must be supported by a performance evaluation and include a corrective action plan.
- D.** In the event a merit increase is denied, the affected employee shall be re-evaluated within three (3) months of the initial denial of the merit increase, and periodically thereafter, if appropriate for the corrective action plan.
- E.** If an employee is denied a merit increase, the employee has a right to meet with the department head and ask for reconsideration of the denial.
 - 1) During this meeting the employee has a right to discuss the merit increase denial, his or her evaluation, and the department's corrective plan.
 - 2) The employee may have a representative present during this meeting.
