To: Property Owners & Residents

RE: Orchard Avenue Extension Feasibility Study  
Board of Supervisors Presentation – Final Report

The Mendocino County Department of Transportation has investigated the feasibility of a future extension of Orchard Avenue from Brush Street to Lake Mendocino Drive.

The purpose of the Orchard Avenue Extension Feasibility Study was to provide traffic analysis and design studies for an additional north-south arterial through the Greater Ukiah Valley Area. The planned Orchard Avenue Extension evaluated a complete street corridor including vehicle lanes, bike lanes, and sidewalks. The study took into account the planned roadway and private development improvements in the area with a focus to improve circulation and mitigate congestion on North State Street. The County would like to present the results of the study with its Board of Supervisors, neighbors and community on:

**Tuesday, February 4th, 2020\*, at the  
Mendocino County Board of Supervisors Chambers  
501 Low Gap Road, Ukiah, CA 95842**

**\*please call DOT office (Howard Dashiell or Alicia Meier at (707) 463-4363) the day before the meeting to get a forecast of the time of presentation.**

*PLEASE JOIN US FOR THIS IMPORTANT MEETING!*
