Health Officer Guidance on Social Distancing Protocol for Essential Busineses

All Essential Businesses are encouraged to prepare and post a "Social Distancing Protocol" for each of their facilities in the County frequented by the public or employees. A sample of a recommended Social Distancing Protocol is attached to this Guidance as Appendix A. It is recommended that the Social Distancing Protocol be posted at or near the entrance of the relevant facility, and shall be easily viewable by the public and employees. It is further recommended that a copy of the Social Distancing Protocol also be provided to each employee performing work at the facility.

Essential businesses are also encouraged to find ways to protect individuals over 65 years of age, or those who are otherwise at a greater risk from COVID-19, such as designated shopping hours. Further it is recommended that Essential Businesses encourage people to shop in the smallest groups possible.

The Social Distancing Protocol should explain how the business is achieving the following, as applicable:

- i. Limiting the number of people who can enter into the facility at any one time to ensure that people in the facility can easily maintain a minimum six-foot distance from one another at all times, except as required to complete the Essential Business activity;
- ii. Where lines may form at a facility, marking six-foot increments at a minimum, establishing where individuals should stand to maintain adequate social distancing;
- **iii.** Providing hand sanitizer, soap and water, or effective disinfectant at or near the entrance of the facility and in other appropriate areas for use by the public and employees, and in locations where there is high-frequency employee interaction with members of the public (e.g., cashiers);
- iv. Providing for contactless payment systems or, if not feasible to do so, the providing for disinfecting all payment portals, pens, and styluses after each use;
- v. Regularly disinfecting other high-touch surfaces;
- vi. Posting a sign at the entrance of the facility informing all employees and customers that they should: avoid entering the facility if they have a cough or fever; maintain a minimum six-foot distance from one another; sneeze and cough into one's elbow; and not shake hands or engage in any unnecessary physical contact; and
- vii. Any additional social distancing measures being implemented (see the Centers for Disease Control and Prevention's guidance at: https://www.cdc.gov/coronavirus/2019-ncov/community/guidance-business-response.html)

THE BOARD OF SUPERVISORS

 \square Optional — Describe other measures:

Page 4 of 4 April 3, 2020

Measures To Keep People At Least Six Feet Apart (check all that apply to the facility):
☐ Placing signs outside the store reminding people to be at least six feet apart, including when in line
☐ Placing tape or other markings at least six feet apart in customer line areas inside the store and on
sidewalks at public entrances with signs directing customers to use the markings to maintain
distance.
☐ Separate order areas from delivery areas to prevent customers from gathering.
☐ All employees have been instructed to maintain at least six feet distance from customers and from
each other, except employees may momentarily come closer when necessary to accept payment,
deliver goods or services, or as otherwise necessary.
☐ Optional—Describe other measures:
•
Measures To Prevent Unnecessary Contact (check all that apply to the facility):
Preventing people from self-serving any items that are food-related.
\Box Lids for cups and food-bar type items are provided by staff; not to customers to grab.
☐ Bulk-item food bins are not available for customer self-service use.
□Not permitting customers to bring their own bags, mugs, or other reusable items from home that
must be handled by employees. Customers bringing their own reusable items that do not require
handling by employees is permissible.
Providing for contactless payment systems or, if not feasible, sanitizing payment systems regularly.
Describe:
☐ Optional—Describe other measures (e.g. providing senior-only hours):
Describe other measures (e.g. providing serior only nodrs).
Measures To Increase Sanitization (check all that apply to the facility):
☐ Disinfecting wipes that are effective against COVID-19 are available near shopping carts and
shopping baskets.
☐ Employee(s) assigned to disinfect carts and baskets regularly.
☐ Hand sanitizer, soap and water, or effective disinfectant is available to the public at or near the
entrance of the facility, at checkout counters, and anywhere else inside the store or immediately
outside where people have direct interactions.
☐ Disinfecting all payment portals, pens, and styluses after each use.
☐ Disinfecting all high-contact surfaces frequently.
□ Optional — Describe other measures:
* Any additional measures not included here should be listed on separate pages, which the business
should attach to this document.
