Mendocino County Health and Human Services Agency Launches “Great Plates Delivered” Program

On April 24, 2020, Mendocino County Health & Human Services Agency (HHSA) became aware of available state funding for a “Great Plates Delivered” program, a meal delivery service for California’s older adults. Mendocino County HHSA immediately pursued this funding opportunity, and coordinated with state agencies, in addition to local restaurants to launch the “Great Plates Delivered” program for the benefit of our county.

Great Plates Delivered has two purposes:

1. To help seniors (65+) and other adults (60-64) at High Risk from COVID-19, (having documented exposure to COVID-19 or underlying health condition) to stay home and stay healthy by delivering three nutritious meals a day
2. To provide essential economic stimulus to local businesses struggling to stay afloat during the COVID-19 crisis.

Restaurants interested in participating and seniors interested in applying for this program can contact Mendocino County Adult & Aging Services at 707-463-7900 or toll free at 1-877-327-1799. Seniors can also apply online at mendocinocounty.org/greatplates
