#### ATTACHMENT:

REPORT: EMERGENCY COMMUNICATION CONSOLIDATION IS IMPERATIVE

#### **FINDINGS:**

FINDING #1: The Mendocino County Board of Supervisors disagrees wholly or partially with the Findings, and have attached, as required, a statement specifying any portion of the Findings that are disputed with an explanation of the reasons therefore.

The Mendocino County Board of Supervisors partially disagrees with this finding, and incorporates, by reference herein, the response from the Mendocino County Sheriff's Office.

FINDINGS #6: The Mendocino County Board of Supervisors disagrees wholly or partially with the Findings, and have attached, as required, a statement specifying any portion of the Findings that are disputed with an explanation of the reasons therefore.

The Mendocino County Sheriff's Office has already activated a Reverse 911 Emergency Notification System.

### **RECOMMENDATIONS:**

RECOMMENDATION 1: The following recommendation will not be implemented by the Mendocino County Board of Supervisors because it is not warranted and/or are not deemed reasonable, attached, as required is an explanation therefore.

The Mendocino County Board of Supervisors does not have authority to direct the listed agencies to implement this recommendation. The Board of Supervisors supports this recommendation.

RECOMMENDATION 2: The following recommendation will not be implemented by the Mendocino County Board of Supervisors because it is not warranted and/or are not deemed reasonable, attached, as required is an explanation therefore.

The Mendocino County Board of Supervisors does not have authority to direct the listed agencies to implement this recommendation. The Board of Supervisors supports this recommendation.

RECOMMENDATION 3: The following recommendation will not be implemented by the Mendocino County Board of Supervisors because it is not warranted and/or are not deemed reasonable, attached, as required is an explanation therefore.

The Mendocino County Board of Supervisors does not have authority to direct the Grand Jury to implement this recommendation.

## **Findings**

- 1. A grant of \$2.5 million from Homeland Security for communication software has been obtained by MCSO. The MCSO is sharing the software with other County law enforcement agencies.
- 2. Additional proposals are being reviewed by the LEAA and UPD to determine a plan that would best serve the County in going forward with this project.
- 3. These issues need to be addressed:
  - sources of funds, i.e. grants/homeland security, Federal and State funds,
  - donation of County property in lieu of matching funds for Federal and/or State funding,
  - location of facility,
  - · construction of new facility or renovation of an existing facility,
  - comparison of costs between the existing emergency communication systems and a new consolidated system,
  - governance of the new system, i.e., Joint Powers Authority, (JPA),
  - comparison of present and future costs of each community's participation.
  - involvement of City and/or County personnel and their union/employment contracts.
- 4. CAL FIRE and CHP are State funded agencies that may choose to be involved in the consolidated system now or in the future.
- 5. Elected officials of the State and Federal government have shown interest in this project.
- 6. The proposed consolidation will include reverse 911 capabilities, allowing the communication center to automatically notify areas of the County of impending or existing emergencies.

7. A contract exists between UPD and FBPD for emergency calls and dispatching. Costs are based on the volume of calls.

8. The County's present state-of-the-art microwave tower is not being fully utilized. Leasing space to cell phone companies, or others, would provide revenue for the new consolidated 911 system.

9. The potential use of the Global Positioning System, (GPS), to identify exact location of calls, officers, and emergency vehicles will be an integral part of this consolidation effort.

#### Recommendations

The Grand Jury recommends that:

- 1. the FBPD, UPD, WPD, and the MCSO determine the cost of the project and their share of the cost. (Findings 2-3, 5, 7, 9)
- 2. the FBPD, UPD, WPD, and the MCSO set a timeframe within the previously suggested three-year parameter for implementation of this consolidated emergency system plan. (Finding 2)
- 3. the GJ continue monitoring the consolidated 911 system project and usage of the microwave tower. (All Findings)
