POLICY #XX	FORMATION/OPERATION OF MUNICIPAL ADVISORY
	COUNCILS
ADOPTED:	ADOPTED BY:

Introduction

A Municipal Advisory Council (MAC) is comprised of citizens, appointed by the Board of Supervisors (BOS or Board), who volunteer their time to review proposed projects located within the county and related topics of interest in their community. MACs are created to provide a consistent and inviting community forum, for the public to hear about and give comments on a number of local and countywide topics. County officials, staff, and other non-county agency staff continually use MAC meetings as an opportunity to provide the public with information or updates. The BOS appoints citizens to sit on the council, who have a heartfelt interest in their community. While the concerns, insight, and discussions relayed by the MAC are key components in the deliberative process, Members do not make or set policies, ordinances or laws and are not in a position to interpret the county zoning ordinance, the county general plan or local community plan. Advisory councils provide recommendations on a variety of topics. Members are tasked with gathering input, making recommendations based on that information and relaying it to the appropriate decision-making body, such as the BOS. The following policy was made for the purpose of improving consistency on formation and operation of County MACs.

1. Formation/Operation of Municipal Advisory Councils (MAC)

It is the policy of the Board that pursuant to Government Code Section 31010, which allows for the creation of an advisory council within unincorporated area for the purpose of advising the Board on matters including, but not limited to, public health, safety, welfare, public works and planning, that said councils shall be formed and operated substantially as set forth herein. Following the adoption of this policy by the Board, all previous resolutions regarding the formation, election and/or appointment to MACs shall be brought before the Board to be amended to be consistent with this policy.

2. Number of Councils to be Established

The elected supervisor of each district shall call for the establishment of separate advisory councils within that district that he or she deems necessary to meet the purposes for which such councils are formed.

3. Area

The area of each proposed MAC shall be determined by a map of the boundaries, which form the representative area. The proposed boundaries and map legal description shall become binding upon approval by a majority of the Board and shall remain unchanged unless/until formally modified by the Board.

ADOPTED:	ADOPTED BY:

4. Existing/Future Municipal Advisory Councils (MACs)

- a. The MACs that exist at the time of adoption of this Policy shall continue to exist and operate as originally formed. The representatives thereto whether elected or appointed shall complete the current applicable term as initially established. Upon expiration of the current term of any member, the vacancy, which occurs, shall be filled by appointment made by the Supervisor of the District and approved by a majority of the Board.
- b. Members of any MAC formed after adoption of this policy are to be appointed by the Supervisor of the District and approved by a majority of the Board.

5. Eligibility for Council Memberships and Number of Members to be Appointed

- a. Any person who is a registered voter and who resides (is domiciled) within the boundary of the MAC is eligible to be nominated, appointed, and to serve as a representative on said council.
- b. The number of representatives appointed to serve on each established MAC shall be five (5) members and one (1) alternate. Each of the six (6) Council members would be appointed for a two (2) year term. To establish initial staggering of tenures the first term of three (3) of the members will be three (3) years. Nevertheless, if as a result of unexpired terms, which were in existence prior to adoption of this policy, the number of representatives happens to be more than five, all members shall continue to serve until such existing terms expire.

6. Procedures for Nomination, Appointment of Members, etc.

Eligible persons may be nominated, screened, interviewed and recommended for Board appointment in such manner as it is determined best suits the needs and interests of the community being served and the supervisor being advised. Appointment shall be made consistent with relevant provisions of this policy.

7. Terms

The terms of all MAC members shall commence upon appointment and be effective for two years. The Board may remove a member of the MAC upon a majority vote of the Board.

8. Vacancies

Vacancies occurring due to death, resignation, or a member moving out of the council area shall be filled by the Board. Persons appointed to fill a vacancy shall serve for the remainder of the unexpired term.

9. Funding and Finances

Funding as required to carry out the business and functions of the MAC shall be reviewed and determined by the Board on an annual basis during the County budget process and appropriated within the annual operating budget of the Planning and Building Services Department.

10. Maintenance of Membership Eligibility & Maps

Inasmuch as the basis for member eligibility is voter registration, it shall be the responsibility of the Assessor-Clerk-Recorder Elections Division to maintain current rolls and precinct information concerning each MAC. Should a change in the current map of the boundaries of the MAC occur, the MAC or the Planning and Building Services Department shall notify the Elections Division.

11. General Provisions

The following additional provisions concerning MACs shall apply:

- a. Officers: The MAC shall choose from among its members a presiding officer, an assistant presiding officer and a secretary. This shall be done at the first meeting after the creation and appointment of the MAC. Selection of such officers shall be conducted at the first meeting following appointment or reappointment of members each and every year thereafter.
- b. Bylaws: No bylaws shall be required to be adopted by the MAC. Said council shall make and keep a current standing order providing for the time and place of holding regular meetings. Any bylaws, which the MAC may adopt shall not duplicate or conflict with these rules or any statute, ordinance or resolution providing for or establishing the MAC or governing its conduct.
- c. Meetings: The MAC shall determine the frequency of its regular meetings, which shall be at least quarterly. The MAC shall by standing order, fix the time and place of its meetings, which shall be held within the County of Mendocino and, normally, within the boundaries of the MAC. The call, giving of notice and conduct of meetings shall be in accordance with the Ralph M. Brown Act (Government Code Section 54950, et seq.).
- d. Quorum: A quorum shall consist of a majority of the members of the MAC, not counting vacant positions. Any action of the MAC shall require affirmative votes of not less than a quorum, except less than a quorum may adjourn a meeting without assigning a day for a further meeting or hearing or to a specified time and place.

POLICY #XX	FORMATION/OPERATION OF MUNICIPAL ADVISORY
	COUNCILS
ADOPTED:	ADOPTED BY:

- e. Duties: The MAC shall advise and recommend proposed action to the governing body regarding such matters which relate to the area upon which such advice or recommendation is specifically requested by the Board, such as review of re-zoning, general plan amendments, use permits, and subdivisions; creation and implementation of the MAC area plan; emergency response and public safety; local infrastructure; and, State Highway infrastructure and safety. The MAC may represent the community to any federal, state, county, city, special district, or school district, agency or commission, or any other organization on matters concerning review of re-zoning and general plan amendments, applications for development permits, use permits, and subdivisions; emergency response and public safety; and, local infrastructure.
- **f. Reports:** The MAC may file a special report whenever the MAC deems it appropriate, and shall file a report when requested to do so by the Board.
- g. Indebtedness: The MAC shall not be empowered to enter into any contract or otherwise incur any indebtedness in the name or on behalf of itself, the Board, the County of Mendocino or any officer, agent or employee thereof.
- h. Duration: Should it be determined that the MAC is no longer functioning consistent with Government Code Section 31010, the authority and procedures set forth in this policy or any subsequently adopted rules, resolutions, ordinances or laws, then a public hearing may be conducted by the Board to determine whether the MAC should be dissolved. The Board, in its sole discretion, may dissolve the MAC by resolution.

12. Existing MAC Policies

In instances where existing by-laws or policies of MACs may be inconsistent with Board Policy XX, Board Policy XX is deemed to take precedence, and the MAC shall take action at its next available meeting to amend its by-laws or policies.
