The committee will review, edit if necessary and then present to Attorneys Breakout for their feedback. Once reviewed, the Legislative Committee will present to the Board for their review. No action was taken.

6. SACRS Legislative Proposals 2017 – Action Item

Richard Stensrud, Legislative Committee Chair

- **Merced #1** – Alternate Retiree Voting. This measure would modify alternate retiree trustee voting rights allowing for the absence of 2 board members at a meeting to provide additional voting rights to the Alternate Retiree in a case where there is no alternate safety member.

**Recommendation:** The Committee declined to recommend this proposal for SACRS sponsorship. The Committee found the proposal would impact a single system, and thus did not meet the criteria for SACRS legislative proposals to have multi-systems benefits or impacts.

- **Ventura #1** – Transfers of Leave Balances during Implementation of Independent Operating Authority. This proposal would clarify that the leave balances may be transferred for any retirement system employees who shift to BOR employment from county employment during implementation of independent operating authority.

**Recommendation:** Conditionally Approved. This proposal was approved for sponsorship IF the Governor signs AB 1853, which is the current 2016 SACRS-sponsored measure that provides system operating authority. AB 1853 is now pending on the Governor's desk. If the Governor does not sign AB 1853, the Committee's recommendation will be for Ventura to pursue clarification legislation as a single-system effort. The Governor has until September 30th to act upon all 2016 legislation.

**Motion:** Based on the Parliamentarian's determination, a motion to postpone both legislative proposals indefinitely, due to each of the sponsors of the proposals desire to withdraw their items, was made by San Joaquin.

**2nd:** San Diego

## **INDEPENDENT AUDITOR'S REPORT**

Board of Directors  
State Association of County Retirement Systems  
Sacramento, California

### ***Report on the Financial Statement***

We have audited the accompanying statement of cash receipts and disbursements, of the State Association of County Retirement Systems (SACRS) for the fiscal years ended June 30, 2015 and 2014, and the related notes to the financial statement.

### ***Management's Responsibility for the Financial Statement***

Management is responsible for the preparation and fair presentation of this financial statement in accordance with the cash basis of accounting described in Note 1; this includes determining that the cash basis of accounting is an acceptable basis for the preparation of the financial statement in the circumstances. Management is also responsible for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of the financial statement that is free from material misstatement, whether due to fraud or error.

### ***Auditor's Responsibility***

Our responsibility is to express an opinion on the financial statement based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statement is free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statement. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statement, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statement in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statement.

We believe the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

***Opinion***

In our opinion, the financial statement referred to above presents fairly, in all material respects, the cash receipts and disbursements of the State Association of County Retirement Systems for the years ended June 30, 2015 and 2014, in accordance with the cash basis of accounting described in Note 1.

***Basis of Accounting***

We draw attention to Note 1 to the financial statement, which describes the basis of accounting. The financial statement is prepared on the cash basis of accounting, which is a basis of accounting other than accounting principles generally accepted in the United States of America. Our opinion is not modified with respect to this matter.

***Other Information***

Our audit was conducted for the purpose of forming an opinion on the financial statement as a whole. The Combining Statement of Cash Receipts and Disbursements, Graphical Presentation of Cash Receipts, Graphical Presentation of Cash Disbursements, and Conference Summary Report, on pages 7 to 12, are presented for purposes of additional analysis and are not a required part of the financial statement.

The Combining Statement of Cash Receipts and Disbursements, Graphical Presentation of Cash Receipts, and Graphical Presentation of Cash Disbursements, on pages 7 to 11, is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statement. Such information has been subjected to the auditing procedures applied in the audit of the financial statement and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statement or to the financial statement itself, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the Combining Statement of Cash Receipts and Disbursements, Graphical Presentation of Cash Receipts, and Graphical Presentation of Cash Disbursements, on pages 7 to 11 is fairly stated in all material respects in relation to the financial statement as a whole.

The Conference Summary Report, on page 12, has not been subjected to the auditing procedures applied in the audit of the basic financial statement, and accordingly, we do not express an opinion or provide any assurance on it.

## NOTES TO THE FINANCIAL STATEMENT

### FOR THE FISCAL YEARS ENDED JUNE 30, 2015 AND 2014

---

#### 1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

##### A. ORGANIZATION

State Association of County Retirement Systems (SACRS) is a not-for-profit association of 20 California county retirement systems, enacted under the County Employees Retirement Law of 1937. SACRS was formed in the early 1970's to provide forums for disseminating knowledge of, and developing expertise in, the operation of county retirement systems existing under current law, as well as to foster and take an active role in the legislative process. To accomplish SACRS' mission of addressing issues of importance to members, SACRS, contracting with Strategic Local Government Services, provides a variety of association management services, including three magazines a year, membership directory, semi-annual conferences, and oversight of SACRS.org. The Association is supported primarily through membership dues and conference fees.

##### B. BASIS OF ACCOUNTING

The accompanying financial statement has been prepared on the cash receipts and disbursements basis of accounting, which is a basis of accounting other than generally accepted accounting principles. Under that basis, the only assets recognized are cash and investments, and no liabilities are recognized. All transactions are recognized as either cash receipts or disbursements, and noncash transactions are not recognized. The cash basis differs from generally accepted accounting principles primarily because the effects of outstanding dues and obligations for assessments unpaid at the date of the financial statement are not included in the financial statement.

Management has elected to use the cash basis of accounting for this entity given the nature of its receipts and disbursements: revenue is almost always received and earned in the same period (e.g. at the beginning of the year for annual memberships, and shortly prior to events for conference attendance) and most expenses are incurred evenly over the year, with the exception of the billing for the conference hotel expense. Financial results by conference are presented in the Conference Summary Report in the Supplementary Information section of this document.

##### C. INCOME TAXES

The Association is exempt from federal and state income taxes under Section 501(c)(4) of the Internal Revenue Code and Section 23701f of the California Revenue and Taxation Code.

##### D. CONTRACTUAL AGREEMENTS

The Association has entered into various contractual agreements for professional services. These agreements include compensation for services rendered to the Association.

##### E. COMPARATIVE DATA

Comparative data for the prior year have been presented in certain sections of the accompanying financial statement in order to provide an understanding of changes in the Association's financial position and operations.

Since SACRS uses the cash basis of accounting, the timing of events and the ultimate settlement of bills may vary from year to year. For example; the Spring conference costs could be settled by June (by year end) or be extended into the subsequent year. Also the timing of events could affect when payments are made from year to year. Payments after year end will be paid out of the surplus generated out of the prior year conference receipts. So the surplus cash at year end may have future demands for prior expenses. Management prepares a conference summary report that reconciles these payments when settled; this report is presented as supplementary information.

The organization is also responsible for food and beverage minimums as specified below. Hotel contracts entered into as of the audit date are summarized here:

## MANAGEMENT LETTER

To the Management  
State Association of County Retirement Systems  
Sacramento, CA, 95814

We have recently completed the audit of the financial statement of State Association of County Retirement Systems (SACRS) and have issued our report thereon dated August 16, 2016. In planning and performing our audit of your financial statement for year ending June 30, 2015, we applied generally accepted auditing standards (GAAS) as we considered your internal control over financial reporting as a basis for designing our auditing procedures. We did this for the purpose of expressing our opinion on the financial statement, but not for the purpose of expressing an opinion on the effectiveness of your internal controls.

Our consideration of internal control over financial reporting was for the limited purpose described in the first paragraph of this section and would not necessarily identify all deficiencies in internal control that might be significant deficiencies or material weaknesses. Although our audit was not designed to provide assurance on the internal control structure and its operation, we noted certain matters that we are submitting for your consideration for the improvement of SACRS' accounting and financial reporting functions. We will be pleased to discuss these comments in further detail at your convenience, perform any additional study of these matters, or assist you in implementing the recommendations. We will review the status of these comments during our next audit engagement. This letter does not affect our report dated August 16, 2016 on the financial statement of the State Association of County Retirement Systems.

### Current Year Recommendations

#### **2015-1 Beginning Equity**

##### Observation:

The beginning balance of equity per the books differed from the prior year audited figure by \$7,770. This was due to the auditor's reclassification of prepaid expenses to expense at June 30, 2014, in accordance with the cash basis of accounting.

##### Recommendation:

While this timing difference between fiscal year 2014 and 2015 will not affect future periods, we recommend that SACRS adjust for the difference so that its financial records match the audit.

##### Management Response:

In accordance with the auditors' prior year recommendation the Bookkeeper no longer uses the general ledger code for prepaid expense and no adjustment will be recorded for this timing difference.

**Status of Prior Year Recommendations**

**2013-1 Classification of Revenue**

**Observation:**

Fall 2013 conference revenues totaling \$9,150 were posted to the "General" Class in QuickBooks. This revenue should have been posted to the "Fall Conference" Class.

**Recommendation:**

We recommend reclassifying the income as of the original deposit date, similar to our RJE-1.

**Management Response:**

Bookkeeper identified this item independent of the audit and reclassified accordingly.

**Status:** Implemented

**2013-2 Prepaid-Expenses**

**Observation:**

At June 30, 2014 and 2013, we noted activity in the "Prepaid Expenses" account on QuickBooks. SACRS uses the cash basis of accounting, no accrual of prepaid expenses is necessary.

**Recommendation:**

While we have detailed our reclassification of the prepaid expenses in RJE-2, we do not recommend adjustment to SACRS' books at this time. All of the underlying transactions are captured on the books, only the timing of the expense recognition will differ slightly from the audit.

**Management Response:**

Bookkeeper will no longer use the general ledger code for "Prepaid Expenses".

**Status:** Implemented

**2011-2 Cash Management Policy**

**Observation:**

The Cash Management Policy approved by the board on March 10, 2009 states that "one primary bank will have a commercial account for check responsibilities of the association...other three banks will be used for holding the association's reserves." As of June 30, 2011, SACRS had deposits in only two banks: Bank of America and Bank of Sacramento. Deposits with Bank of America were in excess of FDIC insured limits by \$532,212 at June 30, 2011.

**Recommendation:**

Auditor recommends that accounts be maintained with balances below the federally insured limits—i.e. no more than \$250,000 on deposit per institution. Further, the cash management policy and management's compliance with the policy should be reviewed at least annually by the Treasurer to ensure that the policy represents current facts and circumstances and that cash is being managed consistent with the policy.

**Status:** Implemented

We believe that the implementation of these recommendations will provide State Association of County Retirement Systems with a stronger system of internal accounting control while also making its operations more efficient.

Management's responses to our recommendations are described above. We did not audit the Management's responses and, accordingly, we express no opinion on them.

This report is intended solely for the information and use of the Board of Directors, management, and others within the association and is not intended to be and should not be used by anyone other than these specified parties.

Sincerely,

**REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING**

**INDEPENDENT AUDITOR'S REPORT**

Board of Directors  
State Association of County Retirement Systems  
Sacramento, CA

In planning and performing our audit of the financial statement of State Association of County Retirement Systems (SACRS) as of and for the years ended June 30, 2015 and 2014, in accordance with auditing standards general accepted in the United States of America, we considered SACRS' internal control over financial reporting (internal control) as a basis for designing audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial statement, but not for the purpose of expressing an opinion on the effectiveness of SACRS' internal control. Accordingly, we do not express an opinion on the effectiveness of SACRS' internal control.

*A deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct misstatements on a timely basis. A *material weakness* is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statement will not be prevented, or detected and corrected on a timely basis.

Our consideration of internal control was for the limited purpose described in the first paragraph and was not designed to identify all deficiencies in internal control that might be material weaknesses. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

We noted certain matters that we have reported to management of SACRS in a separate letter dated August 16, 2016.

This communication is solely for the information and use of management, the board of directors, and others within the organization and is not intended to be, and should not be, used by anyone other than these specified parties.

**COMMUNICATION WITH THOSE CHARGED  
WITH GOVERNANCE**

Board of Directors  
State Association of County Retirement Systems  
Sacramento, California

We have audited the financial statement of the State Association of County Retirement Systems (SACRS) for years ended June 30, 2015 and 2014, and have issued our report thereon dated August 16, 2016. Professional standards require that we advise you of the following matters relating to our audit.

**Our Responsibility in Relation to the Financial Statement Audit**

As communicated in our engagement letter dated July 10, 2015, our responsibility, as described by professional standards, is to form and express an opinion about whether the financial statements that have been prepared by management with your oversight are presented fairly, in all material respects, in accordance with the cash basis of accounting described in Note 1 to the financial statement. Our audit of the financial statement does not relieve you or management of your respective responsibilities.

Our responsibility, as prescribed by professional standards, is to plan and perform our audit to obtain reasonable, rather than absolute, assurance about whether the financial statement IS free of material misstatement. An audit of financial statements includes consideration of internal control over financial reporting as a basis for designing audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control over financial reporting. Accordingly, as part of our audit, we considered the internal control of SACRS solely for the purpose of determining our audit procedures and not to provide any assurance concerning such internal control.

We are also responsible for communicating significant matters related to the audit that are, in our professional judgment, relevant to your responsibilities in overseeing the financial reporting process. However, we are not required to design procedures for the purpose of identifying other matters to communicate to you.

We have provided our report on internal control over financial reporting in a separate letter to you dated August 16, 2016.

**Planned Scope and Timing of the Audit**

We conducted our audit consistent with the planned scope and timing we previously communicated to you.

### **Compliance with All Ethics Requirements Regarding Independence**

The engagement team, others in our firm, as appropriate, and our firm, have complied with all relevant ethical requirements regarding independence.

We follow the AICPA Ethics Standard Rule 201C, in conjunction with this, we annually review with all engagement staff potential conflicts and obtain a conflict certification. In addition, we inquire on each engagement about potential conflicts with staff. We have not identified any relationships or other matters that in the auditor's judgment may be reasonably thought to bear on independence.

### **Qualitative Aspects of the Entity's Significant Accounting Practices**

#### *Significant Accounting Policies*

Management has the responsibility to select and use appropriate accounting policies. A summary of the significant accounting policies adopted by SACRS is included in Note 1 to the financial statement. There have been no initial selection of accounting policies and no changes in significant accounting policies or their application during fiscal year 2015. No matters have come to our attention that would require us, under professional standards, to inform you about (1) the methods used to account for significant unusual transactions and (2) the effect of significant accounting policies in controversial or emerging areas for which there is a lack of authoritative guidance or consensus.

#### *Significant Accounting Estimates*

Accounting estimates are typically an integral part of the financial statements prepared by management and are based on management's current judgments. Those judgments are normally based on knowledge and experience about past and current events and assumptions about future events. Certain accounting estimates are particularly sensitive because of their significance to the financial statements and because of the possibility that future events affecting them may differ markedly from management's current judgments. As the accounting of SACRS is prepared on a cash basis, no estimates are necessary for the preparation of the financial statement.

#### *Financial Statement Disclosures*

Certain financial statement disclosures involve significant judgment and are particularly sensitive because of their significance to financial statement users. We are not aware of any sensitive disclosures affecting SACRS' financial statement.

### **Significant Difficulties Encountered during the Audit**

We encountered no significant difficulties in dealing with management relating to the performance of the audit.

#### **Uncorrected and Corrected Misstatements**

For purposes of this communication, professional standards require us to accumulate all known and likely misstatements identified during the audit, other than those that we believe are trivial, and communicate them to the appropriate level of management. Further, professional standards require us to also communicate the effect of uncorrected misstatements related to prior periods on the relevant classes of transactions, account balances or disclosures, and the financial statement as a whole. Management has corrected all identified misstatements.

In addition, professional standards require us to communicate to you all material, corrected misstatements that were brought to the attention of management as a result of our audit procedures. None of the misstatements identified by us as a result of our audit procedures and corrected by management were material, either individually or in the aggregate, to the financial statement taken as a whole.

#### **Disagreements with Management**

For purposes of this letter, professional standards define a disagreement with management as a matter, whether or not resolved to our satisfaction, concerning a financial accounting, reporting, or auditing matter, which could be significant to SACRS' financial statement or the auditor's report. #### **Representations Requested from Management**

We have requested certain written representations from management, which are included in the attached letter dated August 16, 2016.

#### **Other Significant Matters, Findings, or Issues**

In the normal course of our professional association with SACRS, we generally discuss a variety of matters, including the application of accounting principles and auditing standards, operating conditions affecting the entity, and operating plans and strategies that may affect the risks of material misstatement. None of the matters discussed resulted in a condition to our retention as SACRS' auditors.

We are contracted to prepare the fiscal year 2015 federal Return of Organization Exempt From Income Tax, and related state filings, as well as the calendar year Forms 1099-MISC for SACRS. These returns will be prepared using audited financial data, where applicable, but our preparation of these returns does not constitute an audit. **Summary:** CERL authorizes the board of supervisors to authorize the county auditor to make an advance payment of all or part of the county's estimated annual contribution if the payment is made within 30 days after the county's fiscal year begins. Current law also authorizes a district that is a member of the retirement system in the County of San Bernardino to make advance payments, as described above. This bill would specify that the authority to make advance payments, described above, does not prevent the board of supervisors or governing body of a district from making advance payments for the estimated annual county contributions for an additional year or years, for a county or a district, if certain requirements are satisfied.

Re: **SACRS NOMINATING COMMITTEE 2017-2018 ELECTION REPORT**

**Nominating Committee Members:** Yves Chery, Chairperson (LACERA), Louis Fiorino (San Bernardino CERA), Tracy Towner (Ventura CERA), Vivian Gray (LACERA), Deanna McCormick (Ventura CERA) (absent)

For years the SACRS' Nominating Committee has contributed to the stability and continuity of our association and its election process. Given the diversity of the 37 Act Systems and the importance of ensuring the continuity and collegiality of the SACRS' Board in its work to further the mission of SACRS, and encourage greater participation by the membership, the Nominating Committee considered numerous factors in making its recommendation to the 37 Act Systems.

Prior to the February 1, 2017 deadline, the Nominating Committee received 6 letters of interest from SACRS members for 4 open seats on the SACRS' Board of Directors for the 2017-2018 election.

On February 20, 2017 the Nominating Committee received an email from Marin CERA administrator, Jeff Wickman, suggesting that the committee consider diversifying the SACRS' Board of Directors to ensure it reflects the diversity of the overall SACRS' member systems. (See Attachment)

On February 23, 2017 the committee convened via conference call and carefully and thoroughly reviewed all the candidates' information, considered their experience, qualifications, and the following to ensure a broad and diverse representation of the 37 Act memberships on the SACRS' Board of Directors:

- **Size of System – Small, Medium, Large**
- **Location of System – North, Central, South, Urban, Rural**
- **Trustee – Elected, Appointed, Gender**

#### **PRESIDENT**

**The Nominating Committee recommends, Mr. Dan McAllister, San Diego CERA Trustee for President**

Mr. Dan McAllister, San Diego CERA Trustee (Treasurer & Tax-Collector), was the only candidate that submitted a letter of interest for President. MOTION by Yves Chery and seconded by Louis Fiorino to recommend Dan McAllister for President. MOTION PASSED UNANIMOUSLY.

#### **VICE PRESIDENT**

**The Nominating Committee recommends, Mr. Gabe Rodrigues, Contra Costa CERA Trustee for Vice President**

Continued (Page 1 of 3)

Mr. Gabe Rodrigues, Contra Costa CERA Trustee, was the only candidate that submitted a letter of interest for Vice President. MOTION by Yves Chery and seconded by Ms. Gray to recommend Gabe Rodrigues for Vice President. MOTION PASSED UNANIMOUSLY.

The Treasurer and Secretary seats were the only contested positions. After unanimously approving the President and Vice President nominees, the committee considered the two contested seats.

Both of the incumbents of the contested seats (Mr. Larry Walker and Mr. Art Goulet) were from systems in the Southern California Region; however, SACRS current Treasurer, Larry Walker (San Bernardino CERA), was completing his first term on the Board while SACRS current Secretary, Art Goulet (Ventura CERA), was finishing his second term.

After weighing all the above factors, including Marin CERA's suggestion to broaden and diversify the representation on the Board, the committee voted to recommend the incumbent Larry Walker as Treasurer and a non-incumbent, Kathryn Cavness, the current Vice Chairwoman of Mendocino CERA as SACRS' Board Secretary

On March 3, 2017 the Nominating Committee's nominee for Treasurer, Larry Walker, withdrew his name to allow Mr. Goulet the opportunity to serve as SACRS' Treasurer. Moreover, Mr. Goulet did not accept Mr. Walker's gracious gesture of suggesting that he considers the Treasurer's position. (See Attachments)

On March 30, 2017, the committee reconvened via conference call to review all the candidates' information for the vacant Treasurer seat, make a recommendation for the Treasurer position, and prepare a final ballot for the 37 Act Systems.

The committee received two letters of interest for Treasurer. One from, Harry E. Hagen, Santa Barbara CERA Trustee (Treasurer and Tax-Collector) and another from, Tarrell V. Gamble, Alameda CERA Trustee.

#### **TREASURER**

**The Nominating Committee recommends, Mr. Harry E. Hagen, Santa Barbara CERA Trustee for Treasurer**

While Mr. Gamble was considered, the committee recommends Harry E. Hagen, Santa Barbara CERA Trustee (Treasurer and Tax-Collector). Mr. Hagen who is the Treasurer and Tax-Collector of Santa Barbara CERA is a Certified Public Accountant (CPA), Certified Public Finance Officer (CPFO), Certified Fixed Income Practitioner (CFIP), and Advanced Certified Public Funds Investment Manager (ACPFIM) and chairman of Santa Barbara CERA.

MOTION by Mr. Fiorino and seconded by Ms. Gray to recommend Harry E. Hagen for Treasurer. MOTION PASSED UNANIMOUSLY.

Continued (Page 2 of 3)

## **SECRETARY**

**The Nominating Committee recommends, Ms. Kathryn Cavness, Mendocino CERA Trustee for Secretary**

Ms. Kathryn Cavness and Mr. Art Goulet were the only candidates who submitted a letter of interest for SACRS' Board Secretary.

Mr. Art Goulet, a trustee from Ventura CERA, who is currently finishing his second term as SACRS' Board Secretary is seeking a third term. Ms. Kathryn Cavness, the Vice Chairwoman of Mendocino CERA, is seeking her first term.

Currently, the bylaws do not preclude any SACRS' Board of Directors from seeking the same position beyond two terms, but historically, SACRS Board of Directors serve for two terms in one seat, then continues to the next seat, until she/he becomes President or resigns from the SACRS' Board. This process allows the Board Member the opportunity to learn and grow while serving on the Board of Directors. However, Mr. Art Goulet has no desire to advance to the next seat, the Treasurer; instead, he wishes to run for a third term as Secretary. (See Attachment)

The Nominating Committee voted (3-1) to recommend Ms. Kathryn Cavness, the Vice chairwoman of Mendocino CERA. In addition to possessing the retirement board experience and qualification, Ms. Cavness would broaden and expand the representation on the SACRS' Board, as she is from a rural, relatively small, Northern California County Retirement System. Further, Ms. Cavness would be the only woman on the SACRS' Board for the upcoming year, and the first since 2015.

**MOTION by Ms. Gray and seconded by Mr. Fiorino to recommend Ms. Kathryn Cavness for Secretary. [Louis Fiorino – YES (San Bernardino CERA), Vivian Gray – YES (LACERA), Tracy Towner – NO (Ventura CERA), Yves Chery – YES (LACERA). VOTE (3 – 1) MOTION PASSED.**

The elections will be held at the SACRS Spring Conference during the Annual Business meeting on Friday, May 19, 2017 at the Napa Valley Marriott in Napa, California. SACRS Immediate Past President

Nominating Committee Chair

SACRS Board of Directors Nominating Committee

Dear Yves,

At their February 8, 2017 meeting the Board of Retirement for the Marin County Employees' Retirement Association (MCERA) reviewed your memorandum regarding the 2017-2018 SACRS Board of Directors election process. On behalf of the Board I want to thank you for providing the opportunity to consider and potentially nominate qualified candidates for the Board of Directors.

At the end of the discussion, the MCERA Board Chair directed me to provide you with some feedback that they would like the Nominating Committee to consider. The MCERA Board believes that the composition of the Board of Directors should reflect the diversity of the overall SACRS member systems. SACRS member systems are broadly dispersed throughout California and vary greatly in size. One thing that all member systems have in common is they are composed of genders and races that represent the broad population within the specific jurisdiction. The MCERA Board of Retirement encourages the Nominating Committee to consider all these factors when deciding on the final ballot that will be presented to the voting member systems.

Please feel free to contact me directly if you have any questions.

Subj: Withdrawal of candidacy for SACRS Treasurer

Dear Yves:

Pursuant to our discussions during the past few days, this is a notice of withdrawal of my candidacy for the position of Treasurer of SACRS for 2017-18. As laid out below, I strongly believe that Art Goulet should replace me on the ballot for that position.

I have thoroughly enjoyed this past year as a member of the SACRS Board of Directors. We have made substantial accomplishments in the area of leading the management of our organization, including the improvement of our information systems and our web presence. We have also established a very positive working relationship among board members, staff, and local systems. I am committed to doing whatever I can to assure that that effort continues.

Looking at the Nominating Committee's proposed list of candidates, I believe the committee responded to a very important issue, that of diversity in the representation of our organization's members. We have no women on the board, and only one board member from Northern California. The committee's action remedies that situation. I have the impression, however, that the Nominating Committee action may have also awakened negative aspects of SACRS history, in particular negative feelings from 2015.

I support the nomination of Kathryn Cavness. I do not know her, but I trust the committee's judgement, and her addition to the board should be a positive. It should not become a battlefield on which ghosts of the past are revived and old battles re-fought. The issue is simply whether Art Goulet or Larry Walker should give way to accommodate the new board member. On this I disagree with the Nominating Committee. I will step back.

I note that the Committee's hands were tied by the fact that each of us nominated ourselves for a specific position. The committee could not therefore take what I believe would be the best course of action — nominate Art Goulet for Treasurer, and Kathryn Cavness for Secretary. My withdrawal paves the way to remedy that situation.

Yesterday, at my request, SBCERA nominated Art Goulet for Treasurer. I propose that you formally seek Art's consent to serve in that capacity. Assuming that he agrees, the Nominating Committee will be in a position to add Art's name to their recommended ballot as part of their final ballot process in late March. I do not withdraw with joy or celebration. However, I volunteered for this position with the goal of making SACRS a better organization, and I now believe that withdrawing in this moment will help avoid a controversy that would be as pointless as it is potentially destructive.

It comes down to this: on one hand, we can stand by and watch another conference overshadowed by a competition in which there is little difference in the candidates, but in which normally constructive leaders fall prey to the temptation to cast opponents as incapable or dishonest, even treacherous, and demand that each system take a side, however uncomfortable the situation. On the other hand, we can take a simple action that places virtually the same group onto the Board of Directors with very little antagonism on the part of anyone (other than whatever has gone on already.)

I urge the second course, and this withdrawal sets the table for the accomplishment of that strategy. My hope is that Art will accept this gesture for what it is – an effort to accomplish the best for our organization. My goal is that 2017-18 will be a year of accomplishment and fulfillment for SACRS, and not another cleanup year spent patching up relationships that have been needlessly damaged.

If there is any further procedural step that I need to undertake in order to accomplish the action outlined above, please so notify me at your convenience.

Thank you for your leadership.

Sincerely,

Larry Walker  
Treasurer, SACRS

Re: Withdrawal of Treasurer Candidate for SACRS BOD

On Friday, March 3, 2017, Larry Walker, the Nominating Committee's nominee for the position of Treasurer of SACRS for 2017-2018 withdrew his name for consideration from the upcoming elections.

This development in the election process necessitated the Nominating Committee, with guidance from SACRS' legal counsel, to inform you of this matter to ensure that the election process remains fair, transparent and consistent with our bylaws.

Therefore, the Treasurer's position is now open. Interested candidates should submit their letter of interest and brief bio to the Nominating Committee prior to March 25, 2017.

Additionally, in accordance with our bylaws, the Boards of the regular members may also submit a write-in candidate for the Treasurer's position (or any other office). All submissions must be made prior to March 25, 2017.

The Nominating Committee will report a final slate to all 37 Act Systems prior to April 1, 2017. The elections will be held at the SACRS Spring Conference during the Annual Business meeting on Friday, May 19, 2017 at the Napa Valley Marriott in Napa, California.

Yves,

Please remove my name as a write-in candidate for Treasurer, as nominated by SBCERA.

Larry Walker did not talk to me before he convinced the SBCERA Board to nominate me. He did that and withdrew his nomination because he graciously sought to dampen the controversy you caused.

My goal is to be re-elected Secretary despite your actions.

January 31, 2017

Mr. Yves Chery  
Chairman  
Nominating Committee  
State Association of County Retirement Systems

Dear Mr. Chery,

This is to officially submit my name for consideration by the Nominating Committee for the office of SACRS President.

When I first ran for the Presidency one year ago, I pledged to continue to help move our organization forward with strong, inclusive leadership. I also spoke of my experiences and accomplishments as San Diego County Treasurer-Tax Collector; and of serving as a Trustee on the San Diego County Employees Retirement Association (SDCERA) Board and two successful terms as Board Chair.

Over the past three years it has been my distinct honor and pleasure to serve on the SACRS Board. The first two years as Treasurer and this year as President. During this year our Board has worked closely together to establish and implement goals that will improve our levels of customer service to our members. Some of the key goals include:

1. Re-branding SACRS with a fresh new logo and look
2. Re-building our website to create more interactive capabilities for members
3. Presenting high quality speakers and topics of interest at each of our conferences
4. Building attendance at the SACRS Berkeley Education program through stronger marketing efforts
5. Reaching out to each '37 Act systems to determine what we can do to build Trustee and staff attendance at SACRS fall and spring conferences.

I am proud of the work our board has accomplished this year under my leadership. It has been a productive year for our Board and we have made a difference for the SACRS membership. Ours has been a team effort and one that can point to positive developments.

SACRS is a special organization and one that must continue to provide educational forums for disseminating knowledge and information to Trustees and system staffs from all '37 Act counties in California. Additionally, SACRS must take an active role in the legislative process as it affects county retirement systems. As SACRS President for the coming year, I will continue to work collaboratively with the SACRS Board and Trustees and system staff statewide to ensure that our educational programs and conferences continue to be of the highest quality.

With your support and nomination, I would be honored to serve a second term as President of SACRS. Thank you in advance for your careful and positive consideration of my candidacy for re-election.

Sincerely,

  
Dan McAllister  
President

Re: 2017-2018 SACRS Elections

Mr. Chery,

I am requesting that my name be included on the 2017-2018 SACRS Nomination Slate for the position of Vice President at the upcoming elections in May 2017.

The past two years as the SACRS Vice President has been a most enjoyable and rewarding journey. It has not only given me the opportunity to work with some of the best and brightest individuals in the Public Pension and Institutional Investment communities, but it has also given me the ability to give back to our members who are made up of good, hardworking public servants.

I have been the Chairperson for three successful SACRS Conferences as well as a contributing member of the SACRS Board of Directors. With the knowledge and experience I have gained from overseeing the conferences and working with our esteemed and highly qualified Board members, Program Committee members and the Shaw/Yoder/Antwih Inc. staff, I feel qualified as well as motivated to be a successful Vice President. My goals are to keep moving SACRS forward as a premier public pension organization by reaching out to our members and understanding what our organization can do for them. My focus will be on our Spring and Fall Conferences, the UC Berkeley Educational Program, our upcoming new website and branding launch and any new, needed legislation.

It would be an honor to serve as the 2017-2018 SACRS Vice President.

Sincerely,  
Gabe Rodrigues

SACRS Nominating Committee  
1415 L St., Suite 1000,  
Sacramento, CA 95814

Dear Nominating Committee:

Please consider my request to run for secretary in the State Association of County Retirement Systems (SACRS) Board of Directors upcoming election. Currently, I am a Trustee and Vice Chair of the Mendocino County Employee Retirement Association (MCERA) as well as a member of the MCERA audit committee. My educational background and professional experience has provided me with a strong financial background ideally suited for taking on the responsibilities of Secretary of the SACRS Board of Directors.

As a public employee, I have been serving as the Senior Department Analyst for the County of Mendocino District Attorney's Office since 2008. My position encompasses budget and finance administration for the DA's Office, as well as providing grant management for the DA's Victim Advocacy programs, the Mendocino County's Behavioral Health Court, and the Mendocino County Community Corrections Partners AB109 Realignment efforts to decrease recidivism.

Additional responsibilities include:

- SACRS Educational Committee Member

I am the current SACRS Secretary, first elected in 2015. I am also the Retired Member Trustee of the Ventura County Employees Retirement Association, having recently completed the second year of my fourth term. Every time I have run for the position, I have run unopposed. I am a Past President of the Retired Employees Association of Ventura County (REAVC), after having served 10 years as President. I also serve as the Legislative Chair for the California Retired County Employees Association (CRCEA) and have been a member of the SACRS Legislative and Audit Committees for 12 and 5 years, respectively.

I have Bachelor of Civil Engineering and Master of Public Administration Degrees, and varied public service and private consulting experience, including more than 22 years as County Director of Public Works. While Director of Public Works, I progressed through the offices of the County Engineers Association of California (CEAC), culminating as President. I was also named County Engineer of the year during my career, and received the Circle of Service Award twice from the California State Association of Counties.

I have a reputation for hard work, doing my homework, and being prepared to make meaningful contributions. I have put that reputation to work as Secretary of SACRS for the past year, and would appreciate being nominated again, so I can continue to do so.

the 1990s, the number of people in the world who are undernourished has increased from 600 million to 800 million (FAO 1996). The number of people who are malnourished has increased from 1.2 billion to 1.5 billion (FAO 1996).

There are a number of reasons why the number of people who are undernourished has increased. One of the main reasons is that the world's population has increased. In 1990, there were 5.3 billion people in the world. In 2000, there were 6.1 billion people in the world. In 2010, there are expected to be 6.9 billion people in the world (UN 2000).

Another reason why the number of people who are undernourished has increased is that the world's food supply has not increased enough to keep pace with the world's population. In 1990, the world's food supply was 2.5 billion tonnes. In 2000, the world's food supply was 2.6 billion tonnes. In 2010, the world's food supply is expected to be 2.7 billion tonnes (FAO 1996).

A third reason why the number of people who are undernourished has increased is that the world's food supply is not distributed evenly. In 1990, 1.2 billion people in the world were undernourished. In 2000, 1.5 billion people in the world were undernourished. In 2010, 1.8 billion people in the world are expected to be undernourished (FAO 1996).

There are a number of ways in which the world's food supply can be increased. One way is to increase the amount of land that is used for agriculture. Another way is to increase the amount of water that is used for agriculture. A third way is to increase the amount of fertilizer that is used for agriculture (FAO 1996).

There are a number of ways in which the world's food supply can be distributed more evenly. One way is to increase the amount of food that is stored in grain reserves. Another way is to increase the amount of food that is distributed to the poor. A third way is to increase the amount of food that is distributed to the hungry (FAO 1996).

There are a number of ways in which the world's food supply can be made more sustainable. One way is to increase the amount of land that is used for agriculture. Another way is to increase the amount of water that is used for agriculture. A third way is to increase the amount of fertilizer that is used for agriculture (FAO 1996).

There are a number of ways in which the world's food supply can be made more secure. One way is to increase the amount of land that is used for agriculture. Another way is to increase the amount of water that is used for agriculture. A third way is to increase the amount of fertilizer that is used for agriculture (FAO 1996).

There are a number of ways in which the world's food supply can be made more accessible. One way is to increase the amount of land that is used for agriculture. Another way is to increase the amount of water that is used for agriculture. A third way is to increase the amount of fertilizer that is used for agriculture (FAO 1996).

There are a number of ways in which the world's food supply can be made more affordable. One way is to increase the amount of land that is used for agriculture. Another way is to increase the amount of water that is used for agriculture. A third way is to increase the amount of fertilizer that is used for agriculture (FAO 1996).
