Mendocino County Homeless Services Continuum of Care Meeting - Monday, July 17, 2017

Mendocino County Homeless Services Continuum of Care would like to invite the public to its general membership meeting on Monday, July 17, 2017. This meeting will take place at the Mendocino County Health and Human Services Agency Social Services building, in the Big Sur conference room, located at 747 South State Street in Ukiah, from 1:30 p.m. – 4:00 p.m.

The continuum of care program is designed to promote community-wide commitment to the goal of ending homelessness in Mendocino County. This is a collaboration of individual citizens and over 30 agencies throughout Mendocino County. This group is instrumental in bringing federal HUD funding to the community to assist our low income and homeless population. This group is also active in focusing on solutions to all aspects of homelessness, from emergency sheltering to homeless prevention. We hold monthly meetings and will be filling open seats on our board at this meeting. We welcome new individual community members and community agencies who share a common goal of addressing the needs of those without homes in our community.
