ADDENDUM #: 01

RFP/Project: RFP 26-18 - Alarm Monitoring Services

DATE: 7-13-2018

ISSUED BY: Doug Anderson

The additions, omissions, clarifications, and/or corrections herein shall be made part of the Request for Proposal and shall be included in the response proposals to be submitted. This Addendum modifies the original Request for Proposal as described below.

INQUIRIES AND CLARIFICATIONS TO PROJECT PLANS AND SPECIFICATIONS

1. **Q:** Section XIII FORMAT OF COST PROPOSAL on page 11 includes request for pricing of "Burglar/Panic system quarterly testing/inspection service rate structure." Testing or inspection of Burglar alarms is not required, do you really need to include testing, as it will significantly increase the proposal cost.
- A:** The format of the cost proposal is for unit costs and general rate structure for the services requested. We are not looking for a lump sum proposal. Provide comprehensive rate structure to perform testing/inspections in the event they are requested by the County.

ADDITIONAL INFORMATION

2. To Section XIII FORMAT OF COST PROPOSAL on page 11 add the following items to the services to include in the cost proposal.
- Alarm monitoring account with a Cellular Dialer
 - Account access for a County staff supervisor to view and edit account details such as call-out personnel, contact information and priorities.

End of Addendum 01.

Bidders are reminded that they shall complete the Addenda Acknowledgement in the Bid Form of their Specification Book (Section 00310-2). Failure to do so may result in disqualification of the submitted bid.
