The County is also concerned with additional wear to the County's streets from collection vehicles. The County is interested in collection methods and collection vehicles that minimize wear on the County's streets.

Vendors must specify the gross operating weight of the collection vehicles, the methods to monitor, report and eliminate overweight collection vehicles from operating within the County. **The County will assess liquidated damages for vehicles that exceed local, state or federal maximum loaded vehicle weights, collection vehicles not meeting the required performance standards, or leaking fuel, oil, coolant, or hydraulic fluids on the public or private streets and parking lots located within the County.**

4.4 Verbal Agreements

No verbal agreement or conversation with any elected or appointed officer, agent, or employee of the County, either before or after execution of the Franchise Agreement, shall affect or modify any of the terms or obligations contained in the Franchise Agreement. Any such verbal agreement or conversation shall be disclosed in the proposal and considered as unofficial information and in no way binding upon the County or the Vendor. No person is authorized to give oral interpretations of, or make oral changes to the RFP documents. Therefore, oral statements will not be binding and shall not be relied upon. Any interpretation of, or changes to the RFP documents will be made in the form of a written addendum to the RFP document and will be furnished by the County to all Vendors who attend the mandatory pre-proposal video conference. Addenda will be posted via the County's website at the following URL: <https://www.mendocinocounty.org/government/executive-office/open-rfp-quotes-bids>.

Only those interpretations of, or changes to the RFP document that are made in writing and furnished to the Vendors by the County may be relied upon.

4.5 Qualification of Vendor

The Vendor must be qualified by experience, adequate financing and ability to provide all labor and equipment to do the work called for in the Franchise Agreement.

4.6 Conflict of Interest

All Vendors must disclose, with their proposal, the name of any officer, director, agent, stockholder, or any relative of an officer, director, agent, or stockholder who is an employee, elected official or appointed official of the County. Furthermore, all Vendors must disclose the name of any County employee, elected official or appointed official who owns, directly or indirectly, an interest of five percent (5 percent) or more in the Vendor's firm or any of its branches or subsidiaries.

4.7 Non-Collusion Affidavit of Vendor and Disclosure of Non-Compete Agreements

Any Vendor submitting a proposal to this RFP must complete and sign the Non-Collusion Affidavit of Vendor and Disclosure of Non-Compete Agreements form included in Section 7 of these RFP documents, and submit that document with its proposal. This shall include disclosure of any and all "non-compete agreements" that Vendor may have with other solid waste service providers that would prohibit other solid waste service providers from proposing on this RFP.

4.8 Disqualification of Vendors

More than one (1) proposal from an individual, firm, partnership, corporation, or association under the same or different names will not be considered. Reasonable grounds for believing that a Vendor is involved in more than one proposal for the same work will be cause for rejection of all proposals in which such Vendors are believed to be involved.

4.9 Legal Requirements

Vendors are required to comply with all provisions of federal, state, county, and local laws, ordinances, rules and regulations that are applicable to the services being offered in this RFP. Lack of knowledge of the Vendor shall in no way be a cause for relief from responsibility or constitute a cognizable defense against the legal effects thereof.

4.10 Familiarity with Laws and Ordinances

The submission of a proposal for the services requested herein shall be considered as a representation that the Vendor is familiar with all Federal, State, and local laws, ordinances, rules, orders, and regulations which affect those engaged or employed in the provision of such services, or equipment used in the provision of such services, or which in any way affects the conduct of the provision of such services; and no plea of misunderstanding will be considered on account of ignorance thereof.

4.11 Franchise Agreement

The County shall not be obligated to any Vendor to enter into a Franchise Agreement with the Vendor despite the County's governing body prospectively awarding the Franchise Agreement to a Vendor. The County shall be obligated to a Vendor if and only if the County enters into a Franchise Agreement for the services with the Vendor, and further, no action will lie against the County to compel the County to execute any such Franchise Agreement, or to recover from the County any damages, costs, lost profits, expenses, etc., that any Vendor may incur if the County chooses not to sign such Franchise Agreement. Except for a Vendor's obligation to negotiate the terms and conditions of a Franchise Agreement with the County, as secured by the Proposal Bond required under Sections 1.1 and 4.15, herein, no enforceable Franchise Agreement relationship arises until the County signs the Franchise Agreement, no action shall require the County to sign such Franchise Agreement at any time, and each Vendor waives all claims to damages, lost profits, costs, expenses, etc., as a result of the County not signing such Franchise Agreement.

4.12 Facilities

The County reserves the right to inspect each Vendor's facilities at any reasonable time, during normal working hours, with prior notice to determine that the Vendor has a bona fide place of business and is a responsible Vendor. The Vendor must maintain their facilities and perform collection services in compliance with County Code.

4.13 Insurance

The County will establish insurance requirements in the Franchise Agreement. Vendors must review and obtain an understanding of these requirements contained in the Draft Franchise Agreement, to be provided.

4.14 Agreement Modifications

The County reserves the right to make modifications to the Draft Franchise Agreement to more fully effectuate the intent of this RFP.

As stated in Section 5.7.6, Vendors may provide a list of Franchise Agreement exceptions, subject to the requirements in that section. **The County has no obligation to accept any proposed service alternative or Franchise Agreement exception.** Proposals will be evaluated based on the required services and Agreement language as set forth in this RFP.

4.15 Proposal Bond

Vendors are required to submit a separate proposal bond from a surety company licensed to do business in the state of California, or a cashier's or certified check issued by a bank in the amount of **Fifty Thousand Dollars (\$50,000)**.

A proposal will be deemed non-responsive and will not be considered unless accompanied by the proposal bond, certified check, or cashier's check. Such deposit shall be a guarantee that the Vendor, if awarded the Franchise Agreement, will furnish a performance bond and other required information. If the Vendor fails, refuses, or neglects to furnish the required performance bond and information, the County may retain the deposit or cash the certified check or enforce the proposal bond as compensation for liquidated damages for the Vendor's breach.

Bid bonds guaranteeing proposals rejected by the Mendocino County shall become null and void and will not be returned. All other proposal securities will be held in accordance with PCC, Section 20929 "...the security of an unsuccessful bidder shall be returned in a reasonable period of time, but in no event shall that security be held by the agency or district beyond 60 days from the time the award is made." If the County receives a check as a proposal bond, the County will immediately deposit the check upon opening proposals. After the proposals are opened, checked, and duly considered, the County will issue a reimbursement check if the proposal is not awarded.

4.16 Withdrawal or Revision of Proposal Prior to the Closing Time Set for Receiving Proposals

A Vendor may, prior to the due date and time of the Proposal, and without prejudice, withdraw, modify, or correct a proposal after it has been deposited with the County, provided a request is made in writing to the County, whose name, address, and contact information is provided herein. Any revision shall be deposited prior to the closing time set for receiving proposals. Modification or corrections of proposals shall be made by means of sealed written communications, provided such modifications or corrections are received by the County prior to the closing time set for receiving proposals with the outside envelope properly marked to identify that it is to be a part of this RFP.

No corrections in proposals will be acceptable unless each correction is signed by the Vendor and provided in hard-copy to the County. A proposal in which omissions occur or which has been conditioned by the Vendor in a manner that is unacceptable to the County may be rejected. Corrections may be made until the closing time set for receiving proposals in a sealed envelope, properly marked to identify that it is to be a part of this RFP. No modifications or corrections may be made subsequent to closing time set for receiving proposals.

4.17 Acceptance or Rejection of Proposals

The County reserves and holds at its discretion the following rights and options:

- Issue addenda to the RFP, including extending or otherwise revising the timeline for submittals;
- Cancel the RFP;
- Request clarification and/or additional information from the Vendor at any point in the evaluation process;
- Execute a Franchise Agreement on the sole basis of the original proposal or any one or more additions to proposal submissions;
- Reject any or all proposals, waive irregularities in any proposal, accept or reject all or any part of any proposal, waive any requirements of the RFP, as may be deemed to be in the best interest of the County; and/or
- Reissue the RFP.

Any or all proposals will be rejected if there is reason to believe that collusion existed among the Vendors. Proposals received from participants in such collusion will not be considered for the same work when and if re-advertised.

4.18 Award of Franchise Agreement

A Franchise Agreement shall only be awarded by the Mendocino County Board of Supervisors and based upon the proposal which best fulfills the requirements and provides the best value to the County, its residents, and businesses. No award will be made until all necessary investigations have been made to determine the responsiveness and responsibility of the Vendor under consideration. After opening the proposals, the County may require the selected Vendor to submit a verified statement disclosing all ownership interests, whether direct, indirect, or beneficial, and including intermediate and ultimate ownership interests where several levels of ownership exist, disclosing any single source in excess of thirty percent (30 percent) of outstanding debt, and disclosing any person or entity that has guaranteed in excess of thirty percent (30 percent) of the Vendor's outstanding debt; furthermore, such disclosure shall contain any information of or relating to any and all common ownership, control, management, or common pecuniary benefit the proposing entity, its owners, management, or representatives possess or retain in any other entity now participating, or proposing to participate, in the Franchise Agreement with the County. The County Board of Supervisors shall be the sole judge as to the responsiveness and the responsibility of the Vendor to satisfactorily perform the work specified within the Franchise Agreement.

As soon as practicable after opening the proposals, the Vendor recommended for award of the Franchise Agreement will be submitted to the County Board of Supervisors for approval.

In the event the County Board of Supervisors approval is not received within **one hundred and twenty (120) calendar days** after opening of the proposals, and a proposal extension is not agreed upon by the Vendor and County, then the Vendor(s) may request that it be released from the Franchise Agreement obligation and that its proposal bond is released, in which case the County shall release the Vendor's bond.

The foregoing action by the County or the Vendor(s) shall in no way provide any cause whatsoever for claim against the County by the Vendor(s).

Prior to award of a Franchise Agreement, the County will issue a "Notice of Intent" to award to all Vendors on the County's website. Vendors shall have five (5) business days from the date of the Notice of Intent to submit written protest of the County's intent to award.

4.19 Addendum

Any addenda issued in conjunction with this RFP must be submitted as part of the original proposal packet with a wet signature. Any addenda will be posted to the County's website at the following URL: <https://www.mendocinocounty.org/government/executive-office/open-rfp-quotes-bids>.

The Vendor shall sign each addendum issued and shall attach an addendum acknowledgement sheet to their proposal in order to have the proposal considered. If signed versions of the addenda are not included with the original proposal, the proposal will be deemed non-responsive and will not be considered. If it becomes necessary to issue an addendum that requires a change in the RFP or the Draft Franchise Agreement within five (5) days of the due date for proposals, the County will extend the due date as necessary to allow Vendors to address changes in their proposals.

Informational questions and answers that do not require formal changes to the RFP or Draft Franchise Agreement will also be posted on the County's website provided above. These may be provided as informational items, and not formal addenda.

4.20 Certification of Service Area Conditions, Requirements and Terms

By the submission of a proposal to do the work, the Vendor certifies that a careful examination of the Service Area, all RFP documents, including the Draft Franchise Agreement, has taken place, and that the Vendor is fully informed concerning the requirements of the RFP documents and Draft Franchise Agreement, the physical conditions to be encountered in the work, the quality and quantity of service to be performed, and of materials and equipment to be furnished. **The Vendor will not be entitled to additional compensation upon subsequently finding that conditions require methods or equipment other than that anticipated in making the proposal.**

4.21 Performance Bond

A performance bond or letter of credit in the form as set forth in Form 5 of Section 7 of this RFP is required from the successful Vendor(s) within thirty (30) calendar days from the date the County Board of Supervisors approves the Franchise Agreement(s). The performance bond shall be in an amount of **One Million Five Hundred Thousand Dollars (U.S. \$1,500,000) or twenty-five percent (25 percent) of the contract value, whichever is greater.** The County may waive this bond based on vendor prior performance.

The performance bond shall be executed by a surety company licensed to do business in the State of California; having a rating of, or equivalent to "A: VII" by A.M. Best & Company, approved by the County; and included on the list of admitted surety companies approved by the Treasurer of the State of California.

The Vendor **must provide**, as a part of the proposal response, a commitment letter from a State of California admitted and licensed Surety Company, as set forth in the preceding paragraphs, to provide such performance bond.

After July 1, 2024, and annually thereafter, Vendor may request in writing that the County allow the performance bond to be reduced to fifteen percent (15 percent) of the Vendor's prior annual Gross Revenues. The County shall, at the sole option of the County, respond to the request in writing within forty-five

(45) days of receipt of the written request. Nothing in the Franchise Agreement shall require that the County approve the request of the Vendor nor shall the County have any obligation to provide Vendor with its reasoning for approving or denying the request.

As an alternative to the performance bond required by the Franchise Agreement, at County's option, Vendor may deposit with the County an irrevocable letter of credit as set forth in the Franchise Agreement.

4.22 All Proposals are Public Records

All correspondence with the County including responses to this RFP will become the exclusive property of the County and will become public records under the California Public Records Act (Cal. Government Code sections 6250 et seq.) All documents, and non-exempt portions thereof, that are sent to the County will be subject to disclosure if requested by a member of the public. There are a very limited number of narrow exceptions to this disclosure requirement.

Therefore, any proposal which contains language purporting to render all or significant portions of the proposal "Confidential", "Trade Secret" or "Proprietary" and fails to provide the exemption information required as described below will automatically be considered a public record in its entirety and shall be disclosed to the requesting party without further consideration or notice.

Do not mark your entire proposal as "Confidential".

The County will not disclose any part of any proposal before it completes negotiations, on the ground that there is a substantial public interest in not disclosing proposals during the evaluation and negotiation process. After the completion of negotiations, all proposals received in response to this RFP will be subject to public disclosure. If you believe that there are portion(s) of your proposal which are exempt from disclosure under the Public Records Act, you must mark each page as such and state the specific provision in the Public Records Act which provides the exemption as well as the factual basis for claiming the exemption. For example, if you submit trade secret information, you must plainly mark the information as "Trade Secret" and refer to the appropriate section of the Public Records Act which provides the exemption as well as the factual basis for claiming the exemption. Only information claimed to be a trade secret at the time of submittal to the Mendocino County, marked as "Confidential", "Trade Secret" or "Proprietary" and accepted by the County as exempt from disclosure, will be treated as a trade secret. Although the California Public Records Act recognizes that certain confidential trade secret information may be protected from disclosure, the County may not be in a position to establish that the information that a Vendor submits is a trade secret. If a request is made for information marked "Trade Secret" or "Proprietary", the County will provide Vendor(s) who submitted the information with reasonable notice in order for Vendor(s) to seek protection from disclosure by a court of competent jurisdiction.

4.23 Subcontracting and Listing

No activities or services included as part of this proposal may be subcontracted to another organization, firm, or individual without the written approval of the County. Such approval will not be unreasonably withheld. The reporting of the intent to use subcontractors and its listing is to be clearly identified in the proposal in the manner stipulated in the Proposal response where called for. It is understood that the Vendor is responsible for the satisfactory accomplishment of the service or activities included in a sub contract.

4.24 Debarment

The County may elect to not make any award or permit any award or contract at any tier to any party that is debarred, suspended, or in any way is excluded from procurement actions by any Federal, State or Local governmental agency. If information becomes available, such evidence may be grounds for non-award or nullification of the Franchise Agreement.

5 PROPOSAL PREPARATION INSTRUCTIONS

5.1 Franchise Agreement

Attachment B of this RFP includes a Draft Franchise Agreement for the services to be provided by the Vendor submitting a Proposal in response to this RFP. Vendor may include suggested revisions to the Draft Franchise Agreement with its Proposal. The County may consider reasonable amendments to the Draft Franchise Agreement during negotiations; however, the County is under no obligation to accept or make such amendments.

After responses are submitted to this RFP, the County shall not entertain or accept any increase in the prices proposed or reduction in revenue for services unless the County requests new or additional services that are not contemplated under the Draft Franchise Agreement. A Vendor's failure to review or understand the requirements in the Draft Franchise Agreement shall not constitute sufficient grounds for the Vendor to receive an increase in the proposed fees. If a price increase is requested, or revenues reduced under such circumstances, or if a Vendor refuses to sign the Franchise Agreement, the County may terminate its discussion with that Vendor and award to Franchise Agreement to a different Vendor.

5.2 Receipt of Proposals

The County will accept proposals to furnish all labor, equipment, materials, tools, insurance, supervision, and all other items incidental thereto, and to perform all work necessary and specified in the prescribed manner and time to provide Collection Services in the County Service Area in accordance with the terms and conditions set forth in the Franchise Agreement. Three (3) hard copies and one (1) electronic **proposal will be accepted until 2:00 p.m. PT on March 12, 2021 as listed below.**

Each proposal and supporting documentation must be clearly labeled: "**PROPOSAL FOR RESIDENTIAL AND COMMERCIAL GARBAGE, RECYCLABLE MATERIAL AND ORGANIC WASTE COLLECTION SERVICES FRANCHISE AREA NO. 2**" by the proposal submission date. Vendors must also include their company name and address on the proposal. Proposals must be delivered to:

**Mendocino County – Department of Transportation
Attention: Amber Fisette
340 Lake Mendocino Drive
Ukiah, CA 95482**

Vendors are responsible for making certain that proposals and addenda or written modifications are delivered to the County at the above address.

No proposals will be accepted by oral communication, telephone, or fax. Proposals may be withdrawn prior to the above scheduled time set for receipt of proposals. No Vendor may withdraw a proposal after the above scheduled time for opening the proposals. Any proposal received after the date and hour specified will be rejected.

The County reserves the right to postpone the date and time for opening proposals through an addendum.

5.3 General Provisions

All prices and proposals must be in ink or typewritten. No pencil figures or erasures are permitted. Mistakes may be crossed out and corrections inserted adjacent thereto and must be initialed in ink by person signing the proposal. All proposals must be signed in ink with the firm's name and by a responsible officer or employee. Obligations assumed by such signature must be fulfilled.

5.4 Pre-Proposal Video Conference

A **MANDATORY PRE-PROPOSAL VIDEO CONFERENCE** will be held on February 12, 2021 at 2:00 p.m. PT, via Zoom. Vendors must provide a completed Form A – Communication Protocol three (3) days prior to mandatory pre-proposal video conference. The invitation to the mandatory pre-proposal video conference will be sent to the Vendors once Form A has been received by the County.

Failure to attend the mandatory pre-proposal video conference shall render a proposal submitted by a non-attendee to be deemed non-responsive, and the proposal from the non-attendee shall not be considered for award. Failure to do so will result in any response submitted by that Vendor to be deemed non-responsive and their proposal shall not be considered for award. Decisions on these matters by the County shall be final.

At the pre-proposal video conference, representatives of the County will be available to answer questions and explain the intent of this RFP. To the extent possible, the County will answer questions or concerns that may be raised at that time. After the pre-proposal video conference, the County will prepare written documentation to answer questions which were addressed at the pre-proposal video conference which relate to interpretation of, or changes to, the RFP documents which the County deems appropriate for clarification. The documentation will be divided into two (2) areas:

- Items which only require clarification, interpretation, or explanation; and,
- Items which require an addition, deletion, or change to the proposal documents. (Answers to items in this category will be accompanied by the appropriate amended portion of the RFP document.)

Vendors are again cautioned that only interpretations of, or changes to, the RFP documents received from the County in writing may be relied upon. **Each Vendor must execute and return to the County with its proposal acknowledgments of its receipt of each addendum.**

After the pre-proposal video conference, written questions submitted by Vendors that attended the pre-proposal video conference and received by the County no later than 4:00 p.m. PT on February 26, 2021, will be responded to in writing by the County. The County will post all questions and the County's responses on the website dedicated to this RFP.

5.5 Preparation of Proposals

Vendors shall provide an electronic copy of the complete proposal, in a single PDF file. All blank spaces must be filled in and noted, in **blue ink or typed**, with amounts extended and totaled as appropriate.

All required original signatures must be in **blue ink**. All corrections made by the Vendor to any part of the RFP document must be initialed in **blue ink**.

Only one (1) proposal from any individual, firm, partnership, or corporation under the same or different names will be considered.

Proposals by corporations must be executed in the corporate name by two (2) corporate officers. The original RFP submitted must be signed as an original. One signature must be from the chairman, president, or vice-president, and the other signature must be from the chief financial officer, assistant treasurer, secretary, or assistant secretary. The corporate address and state of incorporation must be shown below the signature.

Proposals by partnerships must be executed in the partnership name and signed by a partner. His/her title must appear under his/her signature, and the official address of the partnership must be shown below the signature.

Proposals by limited liability companies must be executed in the company's name and signed by a managing member.

No Vendor shall take exception to the specifications herein, except with respect to comments to the Draft Franchise Agreement provided by the Vendor in accordance with Section 5.7

.6 of this RFP. Vendor taking exception to the specifications may be rejected as non-responsive and its Proposal shall not be considered for award.

The County prefers that the Proposal be as brief as practicable, but responsive to all of the requirements of this RFP. Extraneous marketing information and company propaganda should not be submitted, unless it contains information specifically requested herein.

5.6 Authorization to Bind Submitter of Proposal

Proposals are to be signed by an officer of the company authorized to bind the submitter to its provisions. Proposals are to contain a statement indicating the period during which the Proposal will remain valid. A period of not less than one hundred and twenty (120) days is required.

Failure to manually sign the appropriate Proposal forms will disqualify the Vendor and the Proposal will not be considered.

5.7 Proposal Content

In order to expedite the evaluation process, each proposal shall be organized in accordance with this Section as outlined in Table 3. Instructions for preparing each section of the proposal shown in the outline are given in the following subsections. Proposals that do not follow the specified format outlined below, or fail to provide the required documentation, may receive lower scores during the evaluation process. In the event of any conflict between any of the proposal documents, resolution thereof shall be in the County's sole discretion.

The Vendors shall provide the information as requested and as applicable to the proposed services. Headings and section numbering utilized in the proposal shall be the same as those identified in Table 6. Proposals shall include the following information in the format indicated.

- Qualifications

- Sustainability
- Service Rates

The results of the evaluation process will be presented to the County Board of Supervisors for direction on the next steps following the evaluation and negotiation process. In determining and evaluating the best proposal, the prices will not necessarily be controlling, but quality, equality, efficiency, utility, general terms, delivery, suitability of the service offered, and the reputation of the service in general use will also be considered, with any other relevant factors.

The following subsections provide a brief discussion of each of the evaluation criteria listed above.

5.8.1 Pass/Fail Review

A panel of County staff members and such other parties as the County deems necessary, will conduct an initial “Pass/Fail” review of all proposals submitted to check for completeness and compliance with the proposal requirements. Proposals that have been determined to be complete and in compliance with the proposal requirements will undergo further evaluation. Proposals that are not complete or are not in compliance with the submittal requirements may be disqualified from further evaluation and will be returned to the Vendor.

5.8.2 Qualifications

5.8.2.1 General Qualifications

- Vendor's capacity and plans for responding to fluctuations in the value of recyclable material markets.

5.8.3 Technical Approach

The purpose of the technical review is to evaluate how the Vendor can meet the proposed performance specifications and criteria on a long-term basis, as well as transition. The technical evaluation will include without limitation:

- Vendor's overall collection approach (automated collection, split-body collection vehicles, diversion facilities to be used, types of containers to be used, etc.);
- Vendor's approach to transition that minimizes disruption to the community and Vendor's implementation schedule;

5.8.4.2 Education and Outreach Program

Each proposal will be evaluated based on the Vendor's approach to provide effective and innovate strategies to delivering Education and Outreach materials to all Service Recipients that will results in higher awareness of and participation in all required services, promote achievement of diversion requirements, and reduce contamination of collected Organics and Recyclable Materials.

5.8.5 Service Rates

The Service Rate evaluation is intended to provide an equitable basis for comparison between proposals and an evaluation of the effect of programs on Service Rates. Only Service Rate information as submitted by Vendors will be used in this evaluation. The proposals will be reviewed to verify that the proposed Service Rates are consistent with the activities described in the proposal and the Vendor's work plans, and as part of the evaluation the County may require that Vendors provide detailed assumptions made in developing their Service Rates. Proposed Service Rates, including rates for optional services, will be compared by services. Note, however, that Service Rates for alternatives as provided for in Section 5.7.6 of this RFP will not be included as part of the Service Recipient Rate evaluation.

Please note the following:

- Throughout the term of the Franchise Agreement, the selected Vendor may not charge for any service not explicitly included in the final Service Rates;
- Throughout the term of the Franchise Agreement, the selected Vendor will pay to the County, on a monthly basis a twelve percent (12 percent) Franchise fee to be remitted monthly to the County;
- Throughout the term of the Franchise Agreement, the only adjustment to Service Rates will be as provided for via annual rate adjustments.

There will be no "true-up" of Vendor's revenue or of Service Rates, or increases in Service Rates if the information contained in this RFP is not accurate, or if there are changes in the types or level of service subscribed to by Service Recipients (i.e., account migration).
